Dear Motorhome Owner,

For us the term „living room on wheels“ is not just a meaningless phrase. Motorhomes under the HYMER brand name mirror exactly what customers expect from us: excellent quality, high levels of comfort, high-quality furnishings and trim and extremely high safety levels – all part of standard equipment! Our aim is for you to feel just as comfortable on your trips as you do at home. This is why purchasing the right motorhome is always a question of emotion – it is a gut decision despite all rational considerations. Erwin Hymer was well aware of this when he built the first series motorhome in 1971.

And nothing has changed to this day! From compact semi-integrated motorhomes through to the premium integrated models, HYMER not only does its utmost to meet all the expectations and desires of our customers across all model series, it even tries to exceed them. As pioneers in this sector, this is part and parcel of our philosophy and it is something we owe to the long tradition of our brand. The best thing to do is discover this for yourself and get to know the benefits of our wide range of models. See for yourself what our price-performance ratio means for you and visit our website at www.hymer.com to find out about our latest product portfolio and the new layouts.

Bernhard Kibler
Head of HYMER Motorhomes Division

Standard Equipment HYMER Exsis-t

Basis

- AL-KO frame
- ESP incl. ASR, Traction Plus and Hill Holder
- Fiat Ducato Multijet 96 KW/ 130 HP, Euro 5+
- ABS (anti-lock braking system) / EBD (electronic brake force distribution)
- Driver- and passenger airbag (Please consider: On passenger airbag it is not allowed, to fix child seats with restraint system on passenger seat.)
- Electrically adjustable, heated door mirrors
- Electric power windows and central locking for driver's cabin
- Daytime driving light integrated in head lamps
- Mud flaps on rear axle

Superstructure

- Curtain in driver's cabin made of high quality pleated material
- Appealing, modern exterior visual appearance due to round accumulative form in aluminium smooth metal
- Optimal Insulating due to approved PUAL-construction with foamed walls and foamed roof (35 mm roof- and wall thickness) and frame windows
- Living area entrance door with inner shell
- Electric entrance step, 1-stepped
- LED awning light with rain deflector
- GRP light construction floor with Styrofoam insulating
- HYMER Panorama roof vent 80 x 50 cm with LED illumination in living area
- HYMER frosted glass roof vent 40 x 40 cm with pleated darkening blind and fly screen in bathroom
- HYMER clear glass roof vent 40 x 40 cm with pleated darkening blind and fly screen over rear bed(s)
- Large garage door on the right and left in direction of travel (except Exsis-t 598)

Outfitting

- Multi zone cold foam mattress incl. high quality mattress overlay (knit fabric) for ventilation in rear
- Seating group in front with 2 integrated 3-point belts
- Driver's cabin seats upholstered in living area fabric, height and tilt adjustable, rotatable, with 2 armrests
- Luxury table: swivels through 360°, lengthwise and across slidable with solid wood frame (only in connection with L-shaped seating group)

Heating / A/C / On-board systems

- Boosted battery 12 V 95 Ah AGM
- Heating Combi 6 with warm air system
- Complete interior illumination in LED
- Waste water tank 100 l, insulated and heated
- Warm air heated platform at the seating group
- Fresh water tank 20/100 l, insulated and heated

Multimedia

- Radio-/ TV provision incl. 12 V socket, surface speaker in rear bed room, radio and DVB-T antenna

Kitchen

- Extra wide, free distinguishable kitchen drawers
- Servo-Soft move in kitchen area

Standard Equipment HYMER T CL

Basis

- Fiat Ducato Multijet 96 KW/ 130 HP, Euro 5+
- Electric power windows and central locking for driver's cabin
- Mud flaps on rear axle
- Driver- and passenger airbag (Please consider: On passenger airbag it is not allowed, to fix child seats with restraint system on passenger seat.)
- Electrically adjustable, heated door mirrors
- ABS (anti-lock braking system) / EBD (electronic brake force distribution)
- Daytime driving light integrated in head lamps
- AL-KO frame
- ESP incl. ASR, Traction Plus and Hill Holder

Superstructure

- Curtain in driver's cabin made of high quality pleated material
- Appealing, modern exterior visual appearance due to round accumulative form in aluminium smooth metal
- Optimal Insulating due to approved PUAL-construction with foamed walls and foamed roof (35 mm roof- and wall thickness) and frame windows
- Electric entrance step, 1-stepped
- LED awning light with rain deflector
- GRP light construction floor with Styrofoam insulating
- HYMER frosted glass roof vent 40 x 40 cm with pleated darkening blind and fly screen in bathroom
- HYMER clear glass roof vent 40 x 40 cm with pleated darkening blind and fly screen over rear bed(s)
- Living area entrance door with window and inner shell
- HYMER frosted glass roof vent 40 x 40 cm with darkening blind and flyscreen over separate shower
- Large garage door on the right in the direction of travel accordingly flap on the left
- HYMER clear glass roof vent 40 x 40 cm with pleated darkening blind and fly screen above living area

Outfitting

- Net system on rear wall of garage (stowage options)
- Additional cushion between lengthwise single beds with extendable ladder (separated cushion)
- Driver's cabin seats upholstered in living area fabric, height and tilt adjustable, rotatable, with 2 armrests
- Luxury table: swivels through 360°, lengthwise and across slidable with solid wood frame (only in connection with L-shaped seating group)
- Seating group in front with 2 integrated 3-point belts
- Multi zone cold foam mattress incl. high quality mattress overlay (knit fabric) for ventilation in rear

Interior design

- Living area concept "Modern Living"

Heating / A/C / On-board systems

- Boosted battery 12 V 95 Ah AGM
- Heating Combi 6 with warm air system
- Complete interior illumination in LED
- Waste water tank 100 l, insulated and heated
- Warm air heated platform at the seating group
- Fresh water tank 20/155 l, insulated and heated

Multimedia

- Radio-/ TV provision incl. 12 V socket, surface speaker in rear bed room, radio and DVB-T antenna
- Flat screen bracket

Kitchen

- Kitchen equipment move-out (except 514 and 578)
- Servo-Soft move in kitchen area

HYMER T SL

Standard Equipment HYMER T SL

Basis

- Fiat Ducato Multijet 96 KW/ 130 HP, Euro 5+
- ESP incl. ASR, Traction Plus and Hill Holder
- Driver- and passenger airbag (Please consider: On passenger airbag it is not allowed, to fix child seats with restraint system on passenger seat.)
- ABS (anti-lock braking system) / EBD (electronic brake force distribution)
- AL-KO frame
- Mud flaps on rear axle
- Electric power windows and central locking for driver's cabin
- Electrically adjustable, heated door mirrors
- Daytime driving light integrated in head lamps

Superstructure

- Curtain in driver's cabin made of high quality pleated material
- Optimal Insulating due to approved PUAL-construction with foamed walls and foamed roof (35 mm roof- and wall thickness) and frame windows
- Heated double floor incl. basement boxes
- Electric step, 2-stepped
- LED awning light with rain deflector
- GRP light construction floor with Styrofoam insulating
- Large garage door right and left on the direction of travel
- HYMER Panorama roof vent 80 x 50 cm with LED illumination in living area
- HYMER frosted glass roof vent 40 x 40 cm with pleated darkening blind and fly screen in bathroom
- HYMER clear glass roof vent 40 x 40 cm with pleated darkening blind and fly screen over rear bed(s)
- Masking strip in brushed Titanium filling
- Living area entrance door with window and inner shell
- Storage compartement in double floor in the middle with deep GRP tub for additional storage room in double floor (depends on layout)
- HYMER frosted glass roof vent 40 x 40 cm with darkening blind and flyscreen over separate shower

Outfitting

- Additional cushion between lengthwise single beds with extendable ladder (separated cushion)
- Driver's cabin seats upholstered in living area fabric, height and tilt adjustable, rotatable, with 2 armrests
- Multi zone cold foam mattress incl. high quality mattress overlay (knit fabric) for ventilation in rear
- Luxury table: swivels through 360°, lengthwise and across slidable with solid wood frame (only in connection with L-shaped seating group)
- Seating group in front with 2 integrated 3-point belts
- Net system on rear wall of garage (stowage options)

Heating / A/C / On-board systems

- Boosted battery 12 V 95 Ah AGM
- Heating Combi 6 with warm air system
- Complete interior illumination in LED
- Bar lighting LED
- Electric waste water tank drain
- Fresh water tank 20 / 160 l, insulated and heated
- Waste water tank 140 l, insulated and heated

Multimedia

- Flat screen bracket
- Radio- / TV provision on high board incl. 12 V sockets, surface speaker in rear bed room, radio and DVB-T antenna
- Radio- / TV provision on side board incl. 12 V socket, surface speaker in rear bed room, radio and DVB-T antenna (704 and 708)

Kitchen

- Extra deep sink with fitted cutting board and high water tap
- Servo-Soft move in kitchen area
- Kitchen equipment move-out
- Smart-Tower refrigerator 142 l

Standard Equipment HYMER B-Class

Basis

- Mud flaps on front and rear axle
- Driver- and passenger airbag (Please consider: On passenger airbag it is not allowed, to fix child seats with restraint system on passenger seat.)
- Suspended exterior mirror, in vehicle finish, electrically heated and adjusted, incl. wide-angle mirror
- AL-KO frame
- ABS (anti-lock braking system) / EBD (electronic brake force distribution)
- Daytime driving light integrated in HYMER head lamps
- ESP incl. ASR, Traction Plus and Hill Holder
- Fiat Ducato Multijet 96 KW/ 130 BHP, Euro 5+

Superstructure

- Appealing, modern exterior visual appearance due to round accumulative form in aluminium smooth metal
- Optimal Insulating due to approved PUAL-construction with foamed walls and foamed roof (35 mm roof- and wall thickness) and frame windows
- Heated double floor incl. basement boxes
- Driver's door with electric window and illuminated entry
- Electric entrance step, 1-stepped
- LED awning light with rain deflector
- GRP light construction floor with Styrofoam insulating
- GRP roof coating (GRP roof coating is not in exterior finish. The surface of the GRP coating doesn't comply to an painted exterior plate)
- Outside hatch on driver's side to load L-seating group (depends on layout)
- Large garage door right and left on the direction of travel
- HYMER Panorama roof vent 80 x 50 cm with LED illumination in living area
- HYMER frosted glass roof vent 40 x 40 cm with pleated darkening blind and fly screen in bathroom
- HYMER clear glass roof vent 40 x 40 cm with pleated darkening blind and fly screen over rear bed(s)
- Front spoiler white
- Folding darkening system in driver's cabin made of high quality pleated material
- Living area entrance door with window and inner shell
- Storage compartement in double floor in the middle with deep GRP tub for additional storage room in double floor (depends on layout)
- HYMER frosted glass roof vent 40 x 40 cm with darkening blind and flyscreen over separate shower

Outfitting

- Aguti Ergoflex pilot seats in living area fabric, swivel, height and tilt adjustable
- Comfort L-shaped seating group with lounge upholstery and 2 integrated 3-point belts (depends on layout)
- Luxury table: swivels through 360°, lengthwise and across slidable with solid wood frame
- Pull down bed manual lowerable
- Sleeping comfort system with cup slatted frame and multi zone cold foam mattress for front bed
- Fly screen roller blind on entrance door
- Additional cushion between lengthwise single beds with extendable ladder (separated cushion)
- Sleeping comfort system with cup slatted frame and multi zone cold foam mattress(es) for rear bed(s) except 598, 698 and 708

Heating / A/C / On-board systems

- New heating concept for driver's cabin with boosted warm air heating incl. heated dash board when vehicle is not driving
- Boosted battery 12 V 95 Ah AGM
- Heating Combi 6 with warm air system
- Ambiance lighting
- Complete interior illumination in LED
- Waste water tank 90 l, insulated and heated
- Fresh water tank 20/130 l, insulated and heated

Multimedia

- Radio-/ TV provision incl. 12 V socket, surface speaker in rear bed room, radio and DVB-T antenna
- Flat screen bracket

Kitchen

- Extra deep sink with fitted cutting board and high water tap
- Servo-Soft move in kitchen area

HYMER StarLine-S

MAKE YOUR STARLINE A STARLINE - **S**:

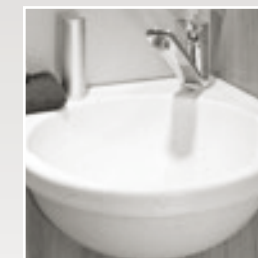

The HYMER StarLine fulfils highest demands to mobile travelling. As "Premium Integrated with Star" it offers more living- and stowage room, more independence and better driving comfort. The StarLine 680 and 690 now becomes more highlights with the optional options package. The main focus here lies – next to much technical finesse such as the automatic gearbox 7 G Tronic – in the processing of very high class material. The kitchen worktop for example is made of solid surface, the ceramic toilet upgrades the open washroom and the table with the frame of real wood and also the furniture flaps in classy high-gloss underline the sense of well-living in a Premium motorhome.

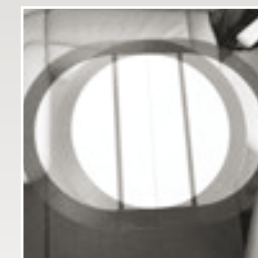

Kitchen worktop made of solid surface

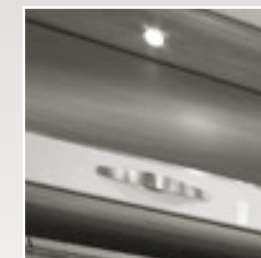

Ceramic-toilet

Cool Glass sink

Enlargeable table with frame of real wood

High-gloss furniture flaps

High-tech-body

- + PUAL foamed any fully glued
- + GRP-roof coating / GRP floor
- + Insulated glass for side cab window and drivers door
- + Garage resilient up to 350 kg, with large door on the RH as well as on the LH side
- + Maxi-stowage under the L-seating group
- + Heated double floor incl. stowage trays
- + Electric windscreen shutter
- + S7 framed windows with insulating cover without cold bridges
- + Comfort-entrance door with double locking and window
- + Stowage flaps/-door made of PUAL and with splash water seal

Chassis

- + Mercedes Benz Sprinter with 190 hP 6-cylinder-engine
- + Rear wheel drive with twin tires
- + Automatic gear 7G-TRONIC (automatic transmission)
- + Air conditioning Tempmatik
- + Cruise control
- + 5,3 t permissible mass
- + Despite S package almost 1 ton of payload!
- + 100 l fuel tank
- + Hill start assist AAS integrated into ESP
- + Reinforced stabilizers at front and rear axle

Safety

- + Driver's and passenger airbag
- + ADAPTIVE ESP + ESP trailer stability assist
- + Anti-lock Braking System ABS
- + Brake Assist System BAS
- + Electronic brake force distribution EBV
- + Traction Control ASR
- + Daytime running light
- + Electric exterior mirrors incl. wide-angle mirror
- + Panoramic windscreen with huge wiping field and 3 windscreen wipers
- + Top-visibility due to reduced left and right B pillars

Self-sufficiency & Technology

- + 170 l fresh and 140 l waste water tank
- + Warm water heating with heat exchanger
- + In multiple cold chamber tests tested and proven heating technology
- + More than 15 built-in convectors including garage, double floor and dashboard
- + Interior illumination exclusively in energy-saving LED
- + 285 Ah power supply (3x95 Ah AGM-batteries with additional charger 18A)
- + 1800 W Inverter with mains priority circuit
- + Uprated alternator 180 A
- + HYMER Smart-Multimedia-System
- + Speakers in the living and bedroom area

Luxury

- + Exterior finish: Sierra grey metallic with design stickers
- + Electric seat lift for driver- and passenger seat
- + Noble high gloss furniture flaps
- + Extendable design table with wood frame
- + Multi zone cold foam mattress
- + Nightlight, shiftable from front- and rear bed
- + Kitchen work plate made of solid surface
- + Ceramic toilet
- + Sink in bathroom made of Cool-Glass

Equipment

- + 160 litre Jumbo fridge with separate freezer
- + Fly door
- + Driver's door with electric step
- + Panorama roof vent above living area
- + Radio-/TV-provision
- + 19 inch LED flat screen incl. DVD-drive
- + Electric pump out of waste water
- + Entrance lighting in driver's cabin with delayed dimming function
- + Ambiance lighting
- + Wooden slatted frame in the shower

Standard Equipment

HYMER StarLine-S

MAKE YOUR STARLINE A STARLINE S WITH THE S-PACKAGE:

StarLine S Package (32), (57), (60), (82)

- Exterior finish: Sierra grey metallic
- Mercedes-Benz 519 CDI, 140 KW/ 190 BHP, Euro 6
- Uprating to 5.3 t (only for Sprinter 516/ 519 CDI)
- Automatic transmission 7G-TRONIC
- 100 l fuel tank
- Flat screen LED 19 inch with integrated loudspeakers, remote, DVD tape deck,
- HYMER Smart-Multimedia-System (DVB-T/C, DVB-S2)
- Wood finish Trentino pear wood with high gloss flaps
- Additional masking strip (brushed titanium filling)
- Electric roller shutter in front
- Kitchen work plate made of solid surface
- ALDE water heater (including booster)
- Heat exchanger for ALDE water heater
- Preparation for heat exchanger Mercedes
- Insulating glazing for driver's cabin side windows and driver's door
- Premium round and sliding table with real wooden frame
- Ceramic toilet Thetford
- Inverter 12 V on 230 V, 1800 Watt with mains priority circuit
- Additional 230 V sockets (exterior stowage locker/garage, entrance area, seating group overhead cupboard, rear area)
- Second living area battery (Banner 95 Ah AGM) incl. additional charger 18 A
- Third living area battery (Banner 95Ah AGM)
- Ambiance lighting

Standard Equipment HYMER StarLine

Basis

- Suspended exterior mirror, in vehicle finish, electrically heated and adjusted, incl. wide-angle mirror
- ABS (anti-lock braking system) / ASR (anti slip control) / EBV (electronic brake force distribution) and ESP (electronic stability program)
- Heavy duty alternator 14 V / 180 A
- Driver- and passenger airbag (Please consider: On passenger airbag it is not allowed, to fix child seats with restraint system on passenger seat.)
- Daytime driving light integrated in HYMER head lamps
- Cruise control
- Mud flaps on front and rear axle
- Mercedes-Benz 516 CDI, 120 KW/ 163 BHP, Euro 6
- Air conditioning Tempmatik

Superstructure

- Hinged window in rear in driving direction on the right and left (on LHD vehicles) with pleated darkening blind and fly screen (depends on layout)
- Appealing, modern exterior visual appearance due to round accumulative form in aluminium smooth metal
- Comfort entrance door with window and inner shell
- Heated double floor incl. basement boxes
- Driver's door with electric window and illuminated entry
- Electric step for driver's door (automatic move-out on opening driver's door)
- Electric step, 2-stepped
- LED awning light with rain deflector
- GRP light construction floor with Styrofoam insulating
- GRP roof coating (GRP roof coating is not in exterior finish. The surface of the GRP coating doesn't comply to an painted exterior plate)
- Outside hatch on driver's side to load L-seating group (depends on layout)
- Maxi stowage compartment under L-seating group with flap to load from outside
- Large garage door right and left on the direction of travel
- HYMER Panorama roof vent 80 x 50 cm with LED illumination in living area
- HYMER frosted glass roof vent 40 x 40 cm with pleated darkening blind and fly screen in bathroom
- HYMER clear glass roof vent 40 x 40 cm with pleated darkening blind and fly screen over rear bed(s)
- Folding darkening system in driver's cabin made of high quality pleated material
- HYMER frosted glass roof vent 40 x 40 cm with darkening blind and flyscreen over separate shower
- Electric seat lift
- HYMER clear glass roof vent 40 x 40 cm with pleated darkening blind and fly screen over separate shower

Outfitting

- Wooden slatted frame in the shower
- Additional cushion between lengthwise single beds with extendable ladder (separated cushion)
- Pull down bed manual lowerable
- Comfort L-shaped seating group with lounge upholstery and 2 integrated 3-point belts
- Luxury table: swivels through 360°, lengthwise and across slidable with solid wood frame
- Fly screen roller blind on entrance door
- Aguti Ergoflex pilot seats in living area fabric, swivel, with electric lift (15 cm)
- Wooden slatted frame with high quality, extra strong cold foam mattresses

Heating / A/C / On-board systems

- Complete interior illumination in LED
- Night lighting with changeover switch
- Electric waste water tank drain
- Heating Combi 6 with warm air system
- Boosted battery 12 V 95 Ah AGM
- Bar lighting LED
- Waste water tank 140 l, insulated and heated
- Fresh water tank 20/170 l, insulated and heated

Multimedia

- Flat screen bracket
- Radio-/ TV provision incl. 12 V socket, surface speaker in rear bed room, radio and DVB-T antenna

Kitchen

- Servo-Soft move in kitchen area
- Jumbo fridge 160 l
- Extra deep sink with fitted cutting board and high water tap

Information

Important information

Important notes:

All prices are subject to an On The Road charge of £2000,00 to include, transportation from Germany, 12 months road fund licence, first registration fee, PDI, Valet, £40 fuel and number plates.

Any change in the original factory condition of your vehicle may impair vehicle handling and traffic safety.

Accessories and original spare parts recommended by HYMER AG are specially designed for your vehicle and approved by us. Your HYMER dealers offers these products and can provide you with information on technical specifications and carry out the necessary work professionally. Accessories, add-on parts and conversion parts not approved by HYMER AG may cause damage to your vehicle or impair traffic safety. Even if an expert's report, a homologation certificate or a type test certificate is available for this part, it does not imply that the nature of the product is in order.

We hope you appreciate that HYMER AG can accept no liability for damage caused by products not approved by HYMER AG or by unauthorised changes made to the vehicle.

Weight specifications are approximate. The payload quoted in the price list is reduced by the weights quoted in the price list when optional extras are fitted.

Specifications on scope of supply, dimensions and weights of vehicles are subject to deviations within factory tolerances (+/-5%) and permissible. They are correct to the knowledge available at the time of going to press and European homologation provisions. They may change up to the time of vehicle purchase or delivery. Your HYMER dealer will gladly provide you with information on changes and the standard scope of delivery.

Please remember that the specified axle loads must be complied with in particular when rear add-on parts, such as motorbike rack or towbar are fitted.

Prices quoted for optional extras are only valid as part of the standard new production. Retrofitting certain optional extras is not possible in some cases and may entail considerable extra costs.

This price list describes the series status at the time of going to press. Despite careful checking of the contents, printing errors are not excluded. During the course of the model year, we retain the right to make changes to equipment and make product improvements.

Layouts are mainly depicted with optional extras available at extra charge. They are not part of the standard equipment.

The water supply system is state of the art as of 07/2011 (EC Directive 2002/72/EC).

Before signing a contract of sale, please ask our authorised HYMER dealer for our current products and series status.

All prices are non-binding recommended sales prices in Sterling ex works including the valid statutory value added tax. Costs of freight, registration or handover are not included.

We reserve the right to change prices, design and equipment.

This price list replaces all previous versions.

Collection by the customer

Unfortunately it is not possible to collect your motorhome personally from the factory.

Technical Data

*) Data not available at time of going to press

- Please note: Any other motor or chassis frame options, e.g. automatic transmission or air conditioning unit, are subject to surcharge and cause the vehicle weight to increase. For chassis frame related optional equipment, the additional weights of the individual chassis frame and/or motor options are given in the respective optional equipment lists.
- Mass in roadworthy condition according to EN1646-2 incl. basic equipment (75kgs for driver, filled fuel tank, water tank in driving condition filled with 20 litres, gas in aluminium cylinder 100% full, and electrical cable) in basic option. Masse in roadworthy condition (and payload or number of persons possible) varies according to motor or equipment options or depending on optional equipment attached. Deviations within the factory tolerance limits are possible and allowed.
- The mentioned payload depends on the mass in running order and will be reduced proportionally by the weight of the installed optional extras (the weights can be taken from the price list or can be asked by the dealer) and assumes optimal distribution. The maximum permitted payload consists of conventional load: 75 kg per passenger, user payload (10 kg personal baggage per passenger and driver, plus 10 kg per meter of the vehicle length) and remaining payload can be used for additional extras or baggage.
- The specified number of people decreases in relation to the increase in the total vehicle operating weight (b). In addition to this increase is the engine size difference compared to the basic variant, the optional extras fitted and the choice of suitable equipment variants. Refer to the weight specifications in the price list or request them directly from your HYMER dealer to make sure that you do not exceed the maximum permissible total weight and that there is sufficient loading capacity left for persons and the equipment and materials required.
- Up to 12% uphill grade: with increasing altitude, the engine power decreases inevitably. As of 1000 m above sea level and for each additional 1000 m each time 10% of the vehicle and trailer have to be reduced.
- The overall height increases of approx. 5 cm for the Fiat Ducato Maxi.
- Height changes if optional extras are fitted, e.g. satellite dish, roof railing, etc..
- External width is equivalent to the dimension from outer wall to outer wall.
- Total width is equivalent to dimension including wheel arches.

Comments

- On T SL 568 and 588 not possible in Connection with Sat antenna Oyster (Code 64633).
- When the lowering double bed is ordered (Code 44822 or 44824), we recommend ordering the optional extra sliding windows above the bench seat (Code 33353).
- When ordering the kitchen worktop made of solid surface (Code 47140), the number of drawers decreases from 6 to 5. (B 504 and B 578)
- Maximum payload for bicycle rack 50 kg.
- Use of motorcycle rack and bicycle rack both at the same time is not possible.
- Towbar and motorbike rack cannot be used at the same time. The Jaeger socket is fitted for motorbike racks and towbars.
- Towbar and motorbike rack cannot be mounted together.
- Towbar and motorbike rack can only be fitted together on the Mercedes-Benz Chassis 516/519.
- Only in conjunction with Fiat Ducat Maxi and maximum permissible total weight of 4250 kg.
