# AN UNLIMITED SENSE OF COMFORT AND WELL-BEING

## WELL-BEING WITH EVERY BREATH

In a Bürstner everything has been designed with the purpose of giving you an unlimited sense of comfort and well-being. A sophisticated interior, tasteful design and quality down to the very last detail create a pleasant living ambiance. Our architects, designers and engineers

work closely together to ensure that everything is in perfect harmony. In doing so, they incorporate their experience as well as requests from customers with the clear goal of indulging you with maximum living comfort.

## SWEET DREAMS COME AS STANDARD

An unlimited sense of comfort and well-being also includes a restful night's sleep. In a Bürstner you'll enjoy the relaxation you need after an eventful day on holiday so that you can recharge for your next adventure. Is there anything better than waking up refreshed and then perhaps staying in bed for just a little while longer?

That's why in a Bürstner all fixed beds come with high-quality cold foam mattresses. Anti-allergenic mattress covers and rubber-supported slatted frames guarantee complete relaxation. There are also other clever comfort ideas in the bedroom to make resting an experience of well-being. Sleep well – and sweet dreams!

## BECAUSE TRAVELLING STIRS UP APPETITE

Fresh fish, fruit and vegetables straight from the market – with a Bürstner motorhome you'll be right at the source to make delicious meals from fresh, local ingredients.

A kitchen awaits you that will fully satisfy the needs of both amateur cooks and gourmets. Clever and attractive design ideas will make you hungry for more.

## GET A LIVELY START TO THE DAY

What's better than being able to enjoy a relaxing shower after a long drive, a day on the beach or after exercising? The morning also gets off to a much better start when you can indulge in your bathroom ritual with all your senses. No matter whether you prefer things more spacious or space saving, Bürstner has the right solution to suit every wish.

YOUR PERSONAL TASTE IS THE DECIDING FACTOR

# THE NEW UPHOLSTERY GENERATION

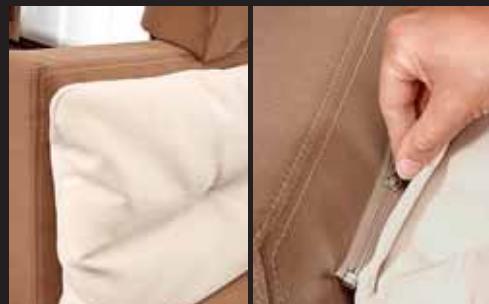

44  
FABRICS TO  
CHOOSE FROM

## Innovative and customer-oriented:

- Up to 44 high-quality living design combinations to choose from
- Greater seating comfort thanks to the new upholstery design
- Back cushions can be removed for cleaning

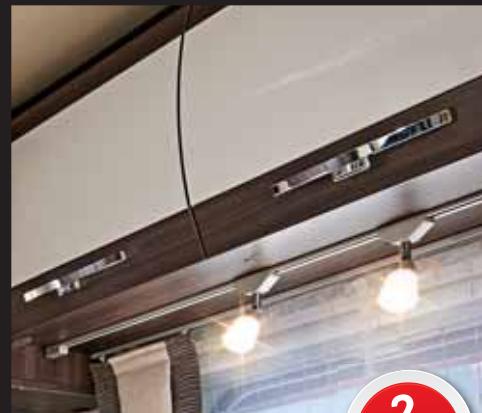

The new, innovative living design concept from Bürstner gives you the option to add your own personal touch to the interior design. Choose your favourite material from four different upholstery qualities.

The combination with the back cushion adds a splash of colour – and harmonises perfectly with the furniture finish. The use of high-quality materials and the skilfully crafted living designs ensure that you will enjoy your individual upholstery selection for a long time to come.

The back cushions can be attached with a zip on the top and bottom so that they won't slip and can be easily removed for cleaning.

## 2 FINISHES TO CHOOSE FROM

2  
FINISHES TO  
CHOOSE FROM

In four of our model ranges you have the option to select from two furniture finishes.

## 5 EXTERIOR PAINT FINISHES

Choose your preferred colour (colour selection depends on the model).

## OUR PASSION IS FOUND IN THE DETAILS

Our renowned high quality is the result of a modern production process – and the people who put a great deal of care and attention to detail into this process. At Bürstner, modern computer technology is combined with nearly 30 years of experience in motorhome construction. Each model is first developed virtually down to the very last detail. Close networking connects all areas from development to manufacturing and sales. We are also certified according to the strict ISO 9001 specifications.

Because only the best is good enough for a Bürstner, our engineers are always on the lookout for optimum solutions. We set standards, but are never fully satisfied with them. After all, we want to make sure that we remain a leading producer of motorhomes in the future as well – and that we continue to surprise you with innovative ideas.

## OUR GUIDING PRINCIPLE: SATISFIED CUSTOMERS!

A highly qualified team is dedicated to manufacturing furniture for caravans and motorhomes. Select materials, solid craftsmanship and the use of robust locks and hinges stand for quality and security.

Bürstner is one of the leading manufacturers of caravans and motorhomes. Our aim is that anyone who is out and about in a Bürstner should always experience an unlimited sense of comfort and well-being wherever they go.

All ideas, concepts and implementations in all model ranges focus on this requirement.

Bürstner has set new standards in customer service. In 2004, Bürstner was one of the first manufacturers to open a Customer Service Centre. From here, the supply of replacement parts is organised for the whole of Europe. It is here that all those interested in caravans and motorhomes can get an overview of many Bürstner innovations. Everything technically and humanly possible is done to make sure that your free time spent in a Bürstner is an unforgettable experience.

## THE FASCINATING WORLD OF BÜRSTNER

Jim Brandenburg is a photographer for National Geographic. When he is on the road in Europe, he prefers to travel in a Bürstner motorhome. In this catalogue

he shows us impressions from his tours through Europe.

Over 3.5 t R

The year-round motorhome for everyone who spends lots of time on the road.

Seats with three-point seatbelts for when you're on the road.

# BREVIO

A new spin on mobility: With its compact class Bürstner introduces a new model concept for motorhomes that completely redefines the boundaries between an everyday vehicle and a motorhome. Compact and agile like a panel van, but with many advantages that vans simply don't offer. The Brevio cleverly combines the virtues of both worlds without having to give up the amenities of a semi-integrated motorhome.

The dynamic lines from the cappuccino to the beautiful rear give the Brevio its characteristic design. Thanks to the straight side walls in the cabin, which are made using modern XPS technology, there's even more room on the interior. This also achieves optimum insulation, which allows for unlimited travelling fun even in winter.

**Nova Quality**  
by Brevio

Brevio t 645

## ALMOST TOO NICE FOR EVERYDAY USE

The Brevio's interior concept is impressive. Two-tone furniture fronts in an Amaranth finish characterise the modern design. Many light sources, some with LED technology, exude an atmosphere of comfort and well-

being. The living area also comes into its own thanks to the elevated headroom provided by the cappuccino roof. Light from the skylight brightens up the entire seating area.

**As compact as a panel van and as generously sized as a semi-integrated model:**

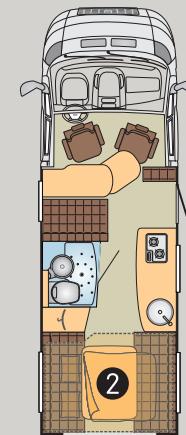

- + Low-frame chassis
- + Up to 700 kg of loading capacity
- + Large rear hatch with low loading sill
- + Side walls with XPS insulation
- + GRP floor with lightweight construction technology
- + Hail-resistant GRP roof
- + Skyroof over the cab
- + Electrically operated step
- + Gas compartment for 2 x 11 kg cylinders
- + Spacious living area
- + 1.95 m of headroom
- + Spacious compact bathroom
- + Lots of storage space
- + Complete kitchen features

European Innovation Award for the successful combination of a panel van and a semi-integrated model in the Brevio.

## BREVIO – THE FIRST SEMI-INTEGRATED MODEL WITH A REAR TAILGATE AND FOLD-DOWN BED

The large rear tailgate (1) is ideal for easily loading bulky cargo. The major innovation is the fold-down bed in the rear (2). In a matter of seconds the sleeping area will be ready for the night. For the first time the t 645 features four full-size berths in the Brevio class. That's because the seating area under the new fold-down bed can be converted into a comfortable double bed.

## LIVING COMFORT

Brevio t 645

## THE JOY OF COOKING

**Spacious comfort:** On the inside you won't even notice the Brevio's compact exterior dimensions. When you see the fully equipped kitchen with hob, refrigerator and lots of storage space, you'll know that you won't have to do without a thing. And in the rear seating area under the fold-down bed you'll be able to sit together comfortably and enjoy a pleasant end to the day night after night.

## SLEEPING COMFORT

**1 Multi-talent:** In a matter of seconds the fold-down bed comes down to reveal two full-size berths. Four times as good: If you need more sleeping space, the seating area can be converted into a comfortable double bed (t 645).

**2 A peaceful oasis:** Rubber-supported slatted frames and comfortable memory foam mattresses guarantee a restful night's sleep.

## BATHROOM CULTURE

**3 A true wonder in terms of space:** When the washbasin is swivelled to the side you can shower in comfort – and thanks to mirror the room seems even bigger.

# STANDARD FEATURES (EXCERPTS)

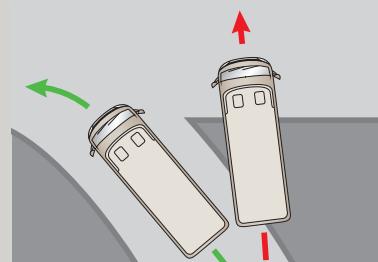

## Multijet 2 engine technology

The engines transfer their power via a 6-speed gearbox, which is specially adapted to the requirements of motorhomes.

## 2.10 m wide

The narrow width of only 2.10 m makes the Brevio even more versatile so that you can master tight curves and narrow village roads even better.

## ABS/ASR

Two technologies provide even more safety: The wheels won't skid on full braking and won't slip when you accelerate.

## Fiat Ducato low-frame chassis

A patent from Fiat that makes the vehicle lighter, yet still stable. It increases the loading capacity and lowers the centre of gravity.

## 3rd brake light in the shape of the Burstner logo

Make a statement: The third brake light will be seen thanks to its brightness and unique design.

## Rear tailgate / loading situation

Comfort when loading and unloading: made possible thanks to the wide rear tailgate and low loading sill.

## Securely transport bulky cargo

No rattling or wobbling: Use the lashing rings to secure bigger items. A rail on the top allows the lashing rings to be easily adjusted.

## Electrically operated step

The electrically operated extending steps make it easy to get in and out.

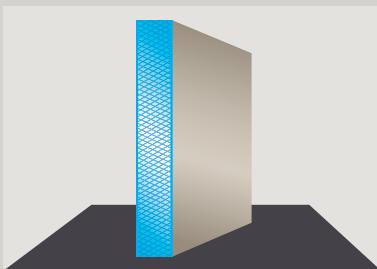

## Awning light

LED technology not only turns darkness into light, but is also extremely energy efficient.

## Painted front spoiler

The front spoiler has been painted the same colour as the vehicle for an even higher-quality overall impression.

## XPS side walls

Thanks to the use of tested lightweight construction technology, the unladen weight of the vehicles has been reduced – all while keeping the quality and insulation at the highest level.

## Airbags

The safety technology will protect you in the event of an accident. A driver airbag is standard on all Brevio models. A front passenger airbag is also available as an optional feature.

## Power windows

Then simply press the button (optional wood finish).

## Driver and front passenger seats

In the Brevio they come as standard in the same upholstery design as the living area and the height and angle can be adjusted.

## Upholstery options

Add a personal touch to your living area. 44 living designs are available to choose from – so you can make it just the way you like.

# STANDARD FEATURES (EXCERPTS)

## Skyroof

The light that comes in from the skyroof above the cab brightens up the entire seating area and lets fresh air into the living area.

## Mini Heki

More light, more air – a greater sense of well-being thanks to the Mini Heki. Also available as a larger Midi Heki upon request.

## Halogen uplighters and 12 V reading spot lights

Have light where you need it. The angle of the spotlights can be adjusted and freely moved along the track.

## Storage compartments under the single beds

There's plenty of storage space under the bed (t 640).

## Wardrobe with lighting

Be well organised on holiday. Thanks to the light installed in the wardrobe, you'll quickly find what you're looking for at night.

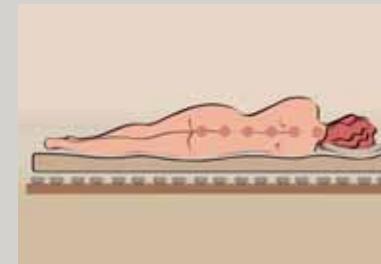

## Sliding toilet

Easily push the toilet to the side to expand the shower area (t 640).

## Floor storage compartment

A practical benefit thanks to the extra storage compartment integrated into the floor.

**Memory foam mattress and special slatted frame in the fold-down bed and single beds** The memory foam mattresses, which are standard in all fixed beds (with anti-allergenic, washable mattress covers), support the body along its contours, thus relieving the back. Slatted frames with flexible rubber supports optimally distribute your body weight.

## Footrest in the entry area

The folding footrest will allow you to expand your seating area. Simply put your legs up and relax.

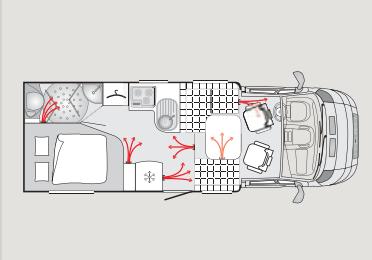

## STANDARD FEATURES (EXCERPTS)

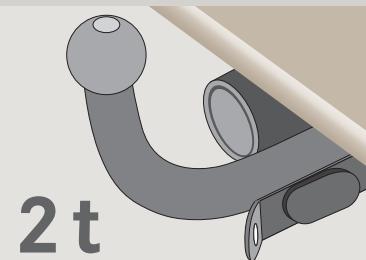

### 3.5-tonne class

Save fuel and enjoy the advantages of a Bürstner even with a driving license restricted to 3,500 kg for passenger vehicles.

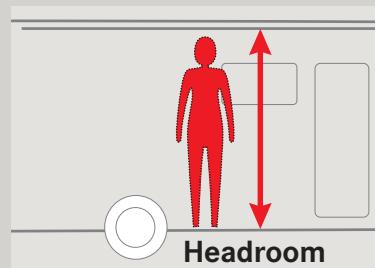

### Truma warm air heating system

Thanks to its quiet and powerful fans, optimum distribution of warm air is guaranteed inside.

### Two tonne towing capacity

For boats, motorcycles or whatever you like: the Brevio can tow it along (optional trailer hitch).

### 1.95 m of headroom

makes it easier for taller people to move around.

### High-performance pump

No “bubbling” water – instead you'll enjoy great water pressure in the kitchen and bathroom.

**Four full-size berths** – the fold-down bed and the seating area that converts into a double bed make it possible for four people to sleep in comfort (t 645).

**GRP roof:** The glass fibre reinforced plastic roof (GRP) for better protection from hail and severe weather.

Development, production and sales are certified according to the international standard ISO 9001:2000.

Each Bürstner motorhome is covered by a comprehensive warranty for 2 years from the date of purchase.

A five-year water ingress guarantee for your motorhome, with an annual inspection (requires payment).

## ACCESSORIES (EXCERPTS)

### Comfortable bench seat

Two individual automotive seats are available instead of the bench seat. The right seat can be slid along its rail system for more elbow room.

### Bike rack

The bike rack can be swivelled to the side – even with bikes on it.

### Cruise control

Always within the speed limit; easily and conveniently.

### Equipment packages

Design  
package

Chassis  
package

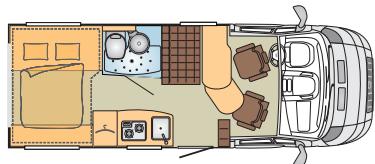

Winter  
package

Information about the packages can be found in the price list.

## TRAVEL VAN

The Travel Van brings a breath of fresh air to your holiday plans. Its compact dimensions make it sporty and manoeuvrable on the road so that you can reach any destination. Curvy coastal routes, tightly winding roads, tours through cities with narrow streets – driving will be a sheer delight in the Travel Van.

The sporty exterior design with elegant smooth metal panelling and sweeping lines, the comfortable low-frame chassis – this vehicle offers pure driving dynamics.

And in the interior you'll discover even more reasons why the Travel Van has become a real bestseller in the Bürstner fleet and is constantly gaining new fans.

Travel Van t 620 G

## A NICE AND BRIGHT DESIGN AND FINISH

The two-tone furniture fronts emphasise the interior's modern look. Elegant handles, easy-to-use push locks and covered hinges combine attractive design with a high degree of functionality.

Bürstner is also a clear trendsetter when it comes to variety and individuality. Choose from 44 living designs to express your very own personal style. The back cushions not only provide greater seating comfort, but can also be removed with a zip for easy cleaning.

The large skyroof with integrated pleated blinds and insect screen (optional) and the well-thought-out lighting concept with adjustable spotlights will allow you to create the right lighting for any mood.

## LIVING COMFORT

Travel Van t 620 G

## THE JOY OF COOKING

Travel Van t 620 G

Comfort and eating simply go together. The 3-burner gas hob with glass cover makes cooking a sheer pleasure. Everything will find a permanent home in the kitchen cabinets with deep, roller-mounted drawers, and the 97-litre refrigerator even offers enough room to keep select specialties on board.

**1+2 For a perfect night's sleep:** The elevated single beds with comfortable memory foam mattresses can be turned into a double bed in a matter of moments. Matching fitted sheets are also included as a standard feature.

**3 Hidden clothing:** A space-saving wardrobe is located under the transverse double bed.

**4 A true wonder in terms of space:** The bathroom in the Travel Van has twice as much to offer. The entire washbasin area including the base cabinet can be simply swivelled to the side to create ample room for pleasurable showers. The warm-air outlets in the bathroom are practical and, above all, perfect for the winter. When temperatures drop, the bathroom is warm and cosy – even before you get in the shower.

© Jim Brandenburg for Bürstner

# NEXXO

The NEXXO will please everyone – those who are always searching for that new special place and those who have already found it. Thanks to its excellent road performance, every mile of road will be part of your holiday.

Well-thought-out floor plans will pamper you with many attractive and practical details. Its versatility and chic design have made the NEXXO one of the most popular motorhomes in the Bürstner fleet.

In celebration of our 55th anniversary, you can make your dream of a perfect holiday come true at an even more affordable price. The NEXXO t 685, NEXXO t 690 G and NEXXO t 740 models are available in the "fifty-five" edition and impress with their comprehensive features at an affordable anniversary price.

Nexxo t 569

## THE INDIVIDUAL JOY OF COMFORT AND WELL-BEING

With eight different floor plans (three of which are available in the "fifty-five" edition), the Nexxo can be designed completely based on your personal preferences. Create your customised interior by choosing from

two furniture finishes and 44 living designs. The swivelling pilot seats are covered in the upholstery you select for the living area, thus perfectly fitting in with your ambience for comfort and well-being.

Mora pine

Amaranth

## LIVING COMFORT

**1 Just as comfortable as at :** Relax in the spacious seating area at night while watching television on the 21-inch screen, which simply disappears into the TV cabinet when not in use.

**2 Whets your appetite:** The L-shaped kitchen creates lots of space to cook, while the roller-mounted drawers provide room for dishes and kitchen appliances.

**3 Freshness on board :** Thanks to the modern 150-litre refrigerator with a 25-litre freezer compartment, your groceries will always be optimally chilled on the road.

## SLEEPING COMFORT

## BATHROOM CULTURE

**1 Easy access:** The two single beds in the rear make going to bed and waking up especially comfortable. Reading spotlights, practical wall pockets and spacious storage cupboards emphasise the sense of comfort and well-being in the bedroom.

**2 Hidden clothing:** A space-saving wardrobe is located under the single beds.

**3 Making room:** Swivel the washbasin and back wall to the side to create a spacious shower area. The indirect lighting, the ample storage options and the high-quality furniture finish turn the bathroom into a wellness oasis. The optimally placed skylight lets a lot of light and fresh air into the interior and quickly lets out moisture after showering. Extra storage compartments in the wall guarantee that everything you need in the bathroom will stay in place while on the road.

# STANDARD FEATURES (EXCERPTS)

## Multijet 2 engine technology

The engines transfer their power via a 6-speed gearbox, which is specially adapted to the requirements of motorhomes.

## ABS/ASR

Two technologies provide even more safety: The wheels won't skid on full braking and won't slip when you accelerate.

## Fiat Ducato low-frame chassis

A patent from Fiat that makes the vehicle lighter, yet still stable. It increases the loading capacity and lowers the centre of gravity.

## Wide-track rear axle

Greater driving stability and spaciousness are ensured thanks to the widely spaced rear track.

## Swivelling pilot seats

No matter whether you're on the road or sitting together, you'll always be perfectly comfortable.

## Airbag

The safety technology will protect you in the event of an accident. A driver airbag is standard on all semi-integrated models. A front passenger airbag is also available as an optional feature.

## Remote central locking

For more comfort and security (only available as an option for the cabin door in connection with the Premium XL cabin door).

## Painted front spoiler

The front spoiler painted the same colour as the vehicle adds to the premium overall impression.

## GRP roof

The glass fibre reinforced plastic roof (GRP) for better protection from hail and severe weather.

## 3rd brake light in the shape of the Burstner logo

Make a statement: The third brake light will be seen thanks to its brightness and unique design.

## Awning light

LED technology not only turns darkness into light, but is also extremely energy efficient.

## Rear garage

Those who enjoy being athletic while on holiday will find plenty of secure space for their bikes in models with a rear garage.

## Coupe entry

The low entry makes it easier to get in and out (only on the Nexxo, not the t 569).

## Driver and front passenger seats

Covered in the same design as the living areas as a standard feature on the Travel Van and Nexxo.

## Midi Heki

The easily accessible Midi Heki in the roof gives the interior more light.

## STANDARD FEATURES (EXCERPTS)

### USB port

A USB connection via the 230V socket supplies electricity to charge your smartphone or tablet.

### Memory foam mattress and special slatted frame

The memory foam mattresses, which are standard in all fixed beds, support the body along its contours, thus relieving the back. Slatted frames with flexible rubber supports optimally distribute your body weight.

### Mattress cover

Anti-allergenic, removable and washable.

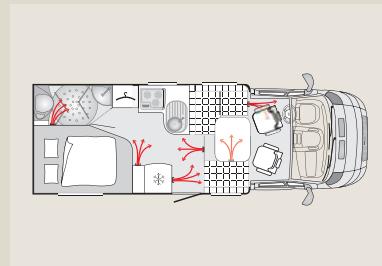

### Fitted sheets

Included to fit all mattresses in the fixed beds.

### Illuminated step

The backlit step provides more safety, even in the dark.

### Truma warm air heating system

Quiet and powerful fans for the optimum distribution of warm air inside.

### Upholstery options

Add a personal touch to your living area. Choose from 44 living designs – so you can make it just the way you like.

### 2 furniture finishes to choose from

You have the option to choose from two furniture finishes (only in the NEXXO).

### Good entertainment

There's room for your TV (up to 21") in the neat TV cabinet so that you won't miss your favourite show.

## ACCESSORIES (EXCERPTS)

### Alloy rims

The alloy rims cut down on weight and are sporty.

**Zenec ZE-NC 3711 D navigation device:** Navigate, connect to the reversing camera, enter the vehicle profile and much more.

### Leather steering wheel

A high-quality leather steering wheel provides driving comfort you can feel.

### Paint options

Three colour options are available to choose from (selection of colours depends on the model).

### Equipment packages

- Ambience package
- Winter package

Information about all the packages can be found in the price list.

- + Lockable service hatches
- + LED awning light

Garagenversion

# IXEO CLASS

The comparably low total height of only 2.75 m as well as its flowing, aerodynamic design give the Ixeo class top marks when it comes to wind resistance. Not only is the engine power used more efficiently, thus

lowering fuel consumption, but sensitivity to side winds and wind noise are also reduced. These are the basic prerequisites for a pleasant holiday journey – even over long distances.

## SEMI-INTEGRATED MODELS WITH A FOLD-DOWN BED

With the Ixeo, Bürstner invented the class of semi-integrated models with a fold-down bed. In virtually no time at all, this model range became one of the best-selling motorhomes in Europe. Never before could up to six people enjoy an unlimited sense of comfort and well-being in a compact motorhome.

Unlike integrated motorhomes that have a fold-down bed above the cab, the fold-down bed in the Ixeo class is located above the seating area. In a matter of seconds the ceiling drops down to reveal two full-size berths.

With two model ranges and a total of 7 floor plans (including the special models in the “fifty-five” edition), Bürstner offers the most diverse range of offerings on the market in this class. Couples and families alike are certain to find the perfect floor plan.

### Dimensions of the fold-down bed

Length: approx. 197 cm

Width: approx. 143 cm

Height: approx. 80 cm

---

### 1<sup>ST</sup> PLACE: Bürstner Ixeo

European Innovation Award for introducing the fold-down bed into semi-integrated models.

In 2013 Bürstner celebrates its 55th anniversary. The “fifty-five” edition will give you the chance to make your mobile holiday dreams come true at the lowest price ever: comprehensive features at an attractive price.

You can get the folder for the Bürstner “fifty five” edition from your dealer or online at: [www.buerstner.com](http://www.buerstner.com)

## IXEO TIME

Do you enjoy the simple things in life like watching a sunrise? Then you are sure to like the Ixeo time. Purists enjoy both its clear exterior design and straightforward floor plans. Focussing on the essential has another advantage: the affordable price.

Thanks to its fold-down bed, the Ixeo time has as many as six comfortable berths. No matter whether you are travelling as a couple, with the family or with friends – the Ixeo time is certain to provide sheer holiday enjoyment.

In celebration of our 55th anniversary, you can make your dream of a perfect holiday come true at an even more affordable price. The Ixeo time it 710 G and Ixeo time it 726 G models are available in the “fifty-five” edition and impress with their comprehensive features at an affordable anniversary price.

Ixeo time it 586

## PLENTY OF ROOM TO MAKE YOURSELF AT HOME

The interior of the Ixeo time it 586 provides a tremendous amount of space – despite its compact length of only six metres. Here you can comfortably sit together in a large group since the combination of the L-shaped seating area, the side bench and the swivelling driver and pas-

senger seats provide plenty of room around the large single column table. Large windows let in lots of light and air. In the evening, the integrated lighting creates a cosy ambiance.

## LIVING COMFORT

Ixeo time it 710 G

## THE JOY OF COOKING

Ixeo time it 586

**Tasteful across the board:** The kitchens in the Ixeo time not only impress with their sleek elegance, but also thanks to their pure ergonomics. All kitchen utensils can be stored in the spacious drawers for easy access and the 3-burner gas hob comes with a glass cover to expand the work surface area. The standard 104-litre refrigerator with large freezer compartment has room for everything that you would use in your kitchen at home.

## SLEEPING COMFORT

**1 Adjustable:** With Easy-Flex each headboard can be individually adjusted and brought into a reclining, lounging or reading position as desired (depending on the model).

**2 Deep sleep zone:** The large fold-down bed is easy to use and comes with a standard memory foam mattress to guarantee a restful night's sleep.

## BATHROOM CULTURE

**3 Extremely accessible:** The linen cupboard in the bathroom can also be used as a storage compartment accessible from the outside.

# IXEO

The IXEO set new standards as the first motorhome with a fold-down bed over the seating area and has been able to maintain its leading position in this class ever since. With the gently sweeping silhouette of the cappuccino, the IXEO is also ahead of the game when it comes to aerodynamics.

And the details keep improving. Starting with the GRP roof to the exceptional comfort of sleeping on memory foam mattresses, the USB charging station and many other special details included as standard features, the IXEO – in all three floor plans – meets every requirement for a successful holiday.

**Nova Quality**  
by Autostar

Ixeo it 664

## FRESH AIR TO TOP

The cappuccino not only gives the Ixeo an attractive exterior appearance; it also allows for a large skycap and additional storage space above the cab.

The sweeping lines of the overhead cupboards immediately stand out, giving the living area a bright, friendly ambience.

The combination of design and functionality might not necessarily be apparent at first glance, but can certainly be felt at all times. This is realised in high-quality details such as the concealed locks to the overhead cupboards.

The fold-down bed is inconspicuously integrated into the living space. A cosy bed at night, during the day it is a design element that perfectly brightens up the seating area thanks to its many spotlights.

## LIVING COMFORT

## THE JOY OF COOKING

**1 Quality you can touch:** The drawers with roller-mounted metal runners impress with their durability. The stainless steel sink with a large drainer and the integrated LED spotlights above the work surface area will make your eyes light up.

**2 Gourmet tower:** The optional TEC tower includes a large refrigerator with a separate freezer compartment and even an oven.

## SLEEPING COMFORT

1

2

## BATHROOM CULTURE

3

**1 Sleep better:** The large double bed with a flexibly mounted slatted frame isn't just a place for rest and relaxation at night. The bathroom is also conveniently nearby.

**2 Deep sleep zone:** The large fold-down bed above the seating area can be easily lowered and comes with a standard memory foam mattress to guarantee a good night's sleep. Light and air can come in through the large skyroof.

**3 Nicely separated:** Shower on the left, washbasin and toilet on the right: there's room for everything. The bedroom/bathroom area can also be separated from the rest of the living area.

# STANDARD FEATURES (EXCERPTS)

## Multijet 2 engine technology

The engines transfer their power via a 6-speed gearbox, which is specially adapted to the requirements of motorhomes.

## ABS/ASR

Two technologies provide even more safety: The wheels won't skid on full braking and won't slip when you accelerate.

## Fiat Ducato low-frame chassis

A patent from Fiat that makes the vehicle lighter, yet still stable. It increases the loading capacity and lowers the centre of gravity.

## Wide-track rear axle

Greater driving stability and spaciousness are ensured thanks to the widely spaced rear track.

## 3rd brake light in the shape of the Burstner logo

Make a statement: The third brake light will be seen thanks to its brightness and unique design.

## Airbag

The safety technology will protect you in the event of an accident. A driver airbag is standard on all Ixeo Class models.

## Remote central locking

For more comfort and security (only available as an option for the cabin door in connection with the Premium XL cabin door).

## Painted front spoiler

The front spoiler painted the same colour as the vehicle adds to the premium overall impression.

## GRP roof

The glass fibre reinforced plastic roof (GRP) for better protection from hail and severe weather.

## Fold-down bed

Features spacious dimensions (197 x 143 cm), a high-quality super flex memory foam mattress and easy handling for lowering and raising.

## Awning light

LED technology not only turns darkness into light, but is also extremely energy efficient.

## Storage compartment in the rear

The extra storage compartment in the rear can be easily accessed from both inside and out (Ixeo time it 590).

## Storage compartment under the seating area

The storage area can be easily loaded and unloaded from the outside (Ixeo time t 586 and t 590).

## Gas hob

The 3-burner gas hob comes with a glass cover to expand the work surface area.

## Driver and front passenger seats

Covered in the same design as the living areas as a standard feature on the Ixeo (optional on the Ixeo time).

## STANDARD FEATURES (EXCERPTS)

### Midi Heki

The easily accessible Midi Heki in the roof gives the interior more light.

### Memory foam mattress and special slatted frame

The memory foam mattresses, which are standard in all fixed beds, support the body along its contours, thus relieving the back. Slatted frames with flexible rubber supports optimally distribute your body weight.

### Mattress cover

Anti-allergenic, removable and washable.

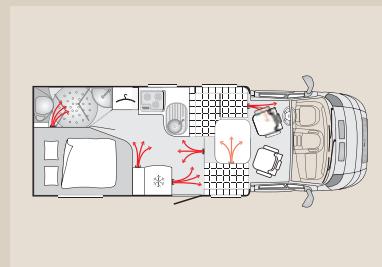

### Fitted sheets

Included to fit all mattresses in the fixed beds.

### USB port

A USB connection via the 230V socket supplies electricity to charge your smartphone or tablet.

### Truma warm air heating system

Thanks to its quiet and powerful fans, optimum distribution of warm air is guaranteed inside.

### Upholstery options

Add a personal touch to your living area. Choose from 44 living designs – so you can make it just the way you like.

### Coupe entry

The low entry makes it easier to get in and out.

### Good entertainment

There's room for your TV (up to 21") in the neat TV cabinet so that you won't miss your favourite show.

## ACCESSORIES (EXCERPTS)

### Alloy rims

The alloy rims cut down on weight and are sporty.

### Passenger airbag

A front passenger airbag is also available as an optional feature on all models.

### Cruise control

Always within the speed limit; easily and conveniently.

### Paint options

Three colour options are available to choose from (selection of colours depends on the model).

### Oven/grill

For the cooking comfort of home.

## VISEO

In the Viseo you will enjoy the prospect of an unforgettable holiday as the landscape passes by through the large front and side windows. Its unmistakable exterior in bright white makes it clear from the first glance: here comes a Bürstner integrated model.

And thanks to its wide-track chassis, its road performance is also impressive. The Viseo also impresses with its solid basic features without expensive extras – for example it already comes as standard with a Premium XL cabin door, alloy rims and a driver-side cab door.

This makes it an especially attractive offer in the elite class.

## YOU'LL LIKE SPENDING TIME HERE

In the Viseo i 690 G you'll enjoy playing host. Its straight lines and clear design accentuate its modern image. With an unobstructed view through the interior, everything seems more spacious and inviting, which will make getting together in a group extremely enjoyable. The large windows create a sunny atmosphere during the day, and at night

adjustable spotlights cast everything in the right light.

When it's time to relax after a pleasant evening, you can make yourself comfortable in the fold-down bed over the cab or in the single beds in the rear.

## LIVING COMFORT

**A lounge experience:** The new, spacious relaxing lounge in the Viseo i 700 promises a very special kind of comfort. Here you'll actually feel as comfortable as at home wherever you go.

## THE JOY OF COOKING

**Practical aesthetics:** There's room for everything in the modern kitchen. The variable shelves make it possible to store everything perfectly. A high-quality railing above the refrigerator allows for safe storage. The drawer cabinets feature the same modern self-closing mechanism that you know from home. The all-round lighting profile creates living comfort and ambience – simply brilliant.

## SLEEPING COMFORT

## BATHROOM CULTURE

**1** **Comfortable:** The nicely illuminated steps with integrated storage help you get into bed comfortably.

**2** **A true wonder in terms of space:** Simply swivel the entire washbasin area to the side and you'll have plenty of room for a delightful shower.

## AVIANO

With its striking front and LED daytime running lights, the Aviano is classy – clearly part of the elite class. Its sleek exterior design will turn heads wherever it goes. This won't only make you especially confident while on the road, but also especially safe thanks to the wide-track chassis.

Both on the inside and outside, the Aviano scores points thanks to its comprehensive furnishings, which are sure to satisfy sophisticated demands. If you expect more from an integrated model, you should step inside the Aviano.

## LOTS OF ROOM TO ENJOY

No matter whether you feel like having a cosy night as a couple or inviting friends over, the tastefully designed living area of the Aviano offers plenty of space. When the pilot seats in the cab are turned 180°, a genuine oasis of well-being is created in combination with the L-shaped seating area.

The i 727 indulges you with a harmonious interior design. The illuminated entry rail reveals loving attention to detail, while a wonderful night's sleep awaits you in the large double bed in the spacious rear.

## SLEEPING COMFORT

1

**1 Pleasant dreams:** The large fold-down bed above the cab comes with a memory foam mattress, which is so comfortable you'll be quickly whisked away into dreamland. The reading spotlights integrated into the ceiling create a relaxing ambiance.

**2 For a wonderful night's sleep:** There's extra storage space under the comfortable single beds that can be easily accessed with steps.

2

3

**3 The right way to rest:** The double bed, which is accessible from both sides, comes standard with a matching fitted sheet. The wardrobe and shower are directly next to the bed so you can get a quick start to the day. Another practical feature is the storage area under the bed, which is hidden behind elegant sliding doors.

## THE JOY OF COOKING

Aviano i 695

**Pure enjoyment:** The modern kitchen with designer fittings makes cooking an exquisite experience. No matter whether you're preparing large or small meals, the 150 litre refrigerator has plenty of space.

## BATHROOM CULTURE

Aviano i 727

**More space:** Experience maximum freedom of movement in the RaumBad (spacious bathroom). A door visually separates it from the rest of the living area. This spatial separation makes it possible for someone to shower on one side and someone else to use the washbasin on the other.

## ELEGANCE

Travelling in the Elegance means enjoying a luxurious holiday as if you were in a 5-star hotel. At first glance, its timelessly attractive lines and stylish colour options show that this model lives up to its name.

The interior of the Elegance will indulge even the most sophisticated connoisseurs with its design. No matter where you look, harmonious and luxurious ambience is found everywhere.

With its masterful appearance, luxurious features and a variety of functional details, the Elegance has found many fans in the elite class.

## LUXURY IS AT HOME HERE

In the Elegance, you'll love the spacious and open layout – the exquisite materials and the best workmanship used here will delight you. Everything has been designed with the sole purpose of providing you with an unlimited sense of comfort and well-being.

Handles, fittings, taps, lighting – every detail has been lovingly designed and harmoniously coordinated. Exclusive quality and elegant design is brought to perfection here.

Bog oak

Magnolia

## LIVING COMFORT

## THE JOY OF COOKING

**Only the best:** Harmonious rounded edges, discreet colours and surprising details such as LED light strips characterise the feel-good ambiance. And the technology? The very finest, of course: a large gas hob with a glass cover, a 150-litre refrigerator in a monolithic look and spacious pull-out drawers provide the best conditions to prepare your favourite culinary specialties.

**1 Reliner seating:** Practical, functional and extremely comfortable – the bench seat turns into a lounge area in three easy steps. Easily accessible storage space is located under the comfortable couch.

**2 Mood setters:** Modern BUS system technology makes it possible to control the individual light modules via a switch so that you can create the right mood lighting at the touch of a button.

2

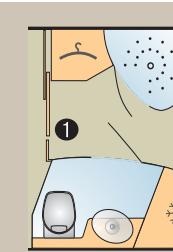

2

## SLEEPING COMFORT

The Elegance also impresses in the sleeping area. In the rear you can look forward to two single beds or a king-size bed accessible from both sides. The comfortable fold-down bed above the pilot seats has an electric lowering function so you can get a good night's sleep.

## BATHROOM CULTURE

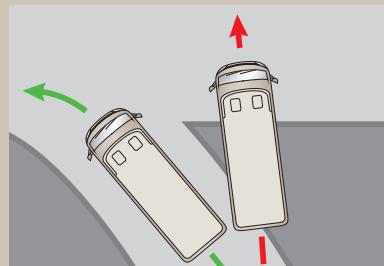

**Luxury spa:** It goes without saying that the bathroom area in the Elegance is a wellness oasis. The separate shower provides plenty of space for a delightful showering experience. Other upscale details: a large, illuminated mirror, practical radiator, towel holder and plenty of shelves for hygiene articles and cosmetics. A large wardrobe stores your clothing. A sliding door (1) can be used to separate the bathroom area from the bedroom.

# STANDARD FEATURES (EXCERPTS)

## Multijet 2 engine technology

The engines transfer their power via a 6-speed gearbox, which is specially adapted to the requirements of motorhomes.

## ABS/ASR

Two technologies provide even more safety: The wheels won't skid on full braking and won't slip when you accelerate.

## 3rd brake light in the shape of the Bürstner logo

The third brake light in the design of the Bürstner logo provides more safety as well as high recognition value.

## Cab doors

The separate driver's & passenger door (Elegance) provides quick access to the cockpit (passenger door only on Viseo).

## Aluminium frame windows

The aerodynamic design of the tinted windows with flush fitting aluminium frames minimises wind resistance and wind noise (only on the Aviano and Elegance).

## Airbag

The safety technology will protect you in the event of an accident. A driver airbag is standard on all integrated models.

## Blackout blinds in the cab

The pleated cab blinds protect you from the sun and curious glances.

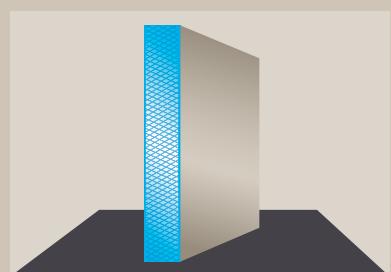

## Alloy rims

The alloy rims cut down on weight and are sporty (optional on the Aviano).

## GRP roof

The glass fibre reinforced plastic roof (GRP) for better protection from hail and severe weather.

## XPS side walls

Thanks to the use of lightweight construction technology, the unladen weight of the vehicles has been reduced – all while keeping the quality and insulation at the highest level (not available on the Aviano).

## BUS mirrors

The large mirrors provide a better rear view and also cut down on blind spots.

## LED daytime running lights

See and be seen: Daytime running lights are desirable, and thanks to their intense brightness and low energy consumption, are impressive.

## Bürstner double floor

The heatable double floor provides plenty of storage space for bulky luggage and protects it from the cold when temperatures drop below freezing (the image is an example, only available on the Elegance).

## HARTAL Premium XL cabin door

The new, extra-wide premium cabin door with a window, window screen and low coupe entry make it easier to get inside (Viseo, Aviano i 695, i 840 G).

## Remote central locking

For more security, a push of a button is all it takes to lock and unlock the driver-side door (only available on the Elegance).

## STANDARD FEATURES (EXCERPTS)

### Driver and front passenger seats

Covered in the same design as the living areas as a standard feature on all integrated models.

### Electric fold-down bed

The fold-down bed above the cab can be lowered electrically (only available on the Elegance).

### USB port

A USB connection via the 230V socket supplies electricity to charge your smartphone or tablet.

### Floor storage compartment

Extra floor compartments are located inside the double floor, which can be conveniently accessed from the inside (only available on the Elegance).

### Fixed and fold-down beds

The combination of a memory foam mattress and a slatted frame with flexible rubber supports optimally distributes the body's weight and relieves the back.

### Soft self-closing kitchen drawers

A tap with your finger is all it takes to close the drawers quietly and gently (Viseo).

### 150-litre refrigerator

Always have perfectly chilled groceries thanks to a 150-litre refrigerator with a separate 25-litre freezer compartment (all Aviano and Elegance models).

### Electric wastewater valve

Comfortably empty the wastewater tank. The release mechanism has been practically located so that it is easy to reach (only Aviano i 840 G and the Elegance).

### High-performance pump

No "bubbling" water – instead you'll enjoy great water pressure in the kitchen and bathroom.

### 2 furniture finishes to choose from

In the Viseo, Aviano and Elegance you can choose from 2 furniture finishes.

## ACCESSORIES (EXCERPTS)

### Easy box

Swivelling, practical and just good. Perfect for storage of small parts (only available on the Aviano i 728 G and i 840 G).

### Passenger airbag

A front passenger airbag is also available as an optional feature on all models (standard on the Elegance).

### Webasto auxiliary heating

Perfect for the ideal indoor climate, to keep the windows from fogging up and for heating up the engine.

### Paint options

Three colour options are available to choose from (selection of colours depends on the model).

# GRAND PANORAMA

Secluded bays, dreamy landscapes, views you will never forget. You begin to feel as though you are completely connected with nature. Set off on a journey of discovery that you will remember forever. The Grand Panorama re-defines spaciousness and comfort in the premium class of integrated motorhomes. Everything is bigger, more comfortable and more luxurious.

When you step into the interior, the gigantic panoramic windscreens impresses with breath-taking views of magical landscapes. The interior furnishings are in a class of their own. Each and every detail is intended to create a unique atmosphere of well-being to delight you. This way every second of your holiday journey will become a very special moment.

Grand Panorama i 920 G

## A LUXURY SUITE WITH A BETTER VIEW

Attractive furniture with an elegant finish wherever you look. Only the best is good enough for the interior of the Grand Panorama. It's a grand feeling to know that you don't have to do without anything. This is

seduction at the highest level, which you will enjoy with all of your senses. An electric blackout blind system meets the need for privacy and protection from the sun.

Grand Panorama i 920 G

**The fascination of the Grand Panorama can only be experienced.** What makes it special can be seen – and felt – throughout. The loving attention to detail makes

all the difference: whether it's the lighting applications, which are even integrated into the edge of the table, the gloss furniture finishes or the exclusive leather – everything

around you exudes an ambience of comfort and well-being that's in a class of its own. For a completely new type of travelling experience.

**Enjoyment comes from enjoying:** Anyone travelling in a Grand Panorama is searching for something special. In the kitchen, high-quality materials, stylish forms and first-class functions pay tribute to sophisti-

cated demands. Every corner of the Grand Panorama shines with elegant applications. An indescribable experience of complete harmony with the highest degree of comfort.

## SLEEPING COMFORT

**Relax like a king:** everything is of the highest standard! You should relax the same way you travel. In the Grand Panorama you'll sleep on high-quality super flex memory foam mattresses with rubber-supported slatted frames. Perfect for ending an eventful day.

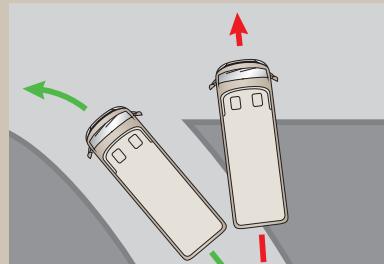

**You'll feel like royalty in your own wellness area.** The many small details help to add comfort and cosiness. For example the power sockets that are hidden from view, but easy to access behind the nicely illuminated mirror cabinet. This way you'll begin and end every day refreshed and in a good mood.

# STANDARD FEATURES (EXCERPTS)

## Multijet 2 engine technology

The engines transfer their power via a 6-speed gearbox, which is specially adapted to the requirements of motorhomes.

## ABS/ASR

Two technologies provide even more safety: The wheels won't skid on full braking and won't slip when you accelerate.

## BUS mirrors

## ARGOS TIME

When you're travelling on holiday with children you should be prepared for anything. The Argos time is ready. Well-thought-out family floor plans are hidden behind its attractive frame. There's also a lot of storage space so that both adults and children can pack everything they need to feel right at home.

Bulky items such as boats can also be easily towed along on a trailer thanks to the optional trailer hitch. The Argos time reveals its family-friendly features throughout. A low

coupe entry makes it easier to get inside the living area. The bunk beds in the rear are a hit with kids. And a hail-proof GRP roof guarantees that your family will enjoy the Argos time for a long time to come.

The Argos time also gets bonus points thanks to its excellent weight balance and affordable price. This way your family can plan – and take along – quite a bit to do while on holiday.

Argos time A 660

## A FAMILY HOLIDAY? WHY NOT!?

The Argos time is popular with families thanks to its spacious interior design. And because it takes safety seriously. All benches in the double dinette can be equipped with three-point seatbelts so that family members can

sit together even while on the road. The comfortable memory foam mattress in the alcove invites you to enjoy an outstanding feeling of well-being. If you want more space, simply raise the alcove bed.

## LIVING COMFORT

1 Argos time A 660

2

**1 Bon appetit:** In the functional kitchen in the Argos time, you can whip up a delicious meal and then serve it in the seating area. There's plenty of room for pots, pans and all other kitchen utensils. The 104-litre refrigerator with a freezer compartment keeps drinks and groceries fresh.

**2 Spacious:** There's room for everything in the large wardrobe.

## THE JOY OF COOKING

3

**3 Full of good ideas:** A 3-burner gas hob guarantees that the way to your family's heart also goes through the stomach. When the kitchen is not in use, the hob and sink can be covered up for more work surface.

## SLEEPING COMFORT

**1** **Pretty clever:** If the bottom bed isn't needed, simply fold it up to create a garage that is also accessible from the outside (Argos time A 660).

**2** **Friendly:** The windows let lots of light and air into the alcove (bed dimensions 202 x 145 cm).

**Swivel out:** When the washbasin is swivelled to the side, you can comfortably shower.

©jim Brandenburg for Bürstner

## ARGOS

The Argos is the maximum configuration level of an alcove model in the Bürstner fleet. You can take off in it on a major holiday tour in any season. After all, with its impressive length of nearly 9 metres, it can be easily and safely driven thanks to its AL-KO low-frame chassis. The underfloor double flooring provides plenty of space and can be heated so you can relax and enjoy your free time even when temperatures drop below freezing.

The Argos already comes fully equipped as a standard feature and impresses with its brilliant floor plan. Discover the Argos. It offers everything you need to enjoy an unlimited sense of comfort and well-being both while on the road and at your holiday destination.

 by bürstner

Argos A 747-2 G

## EXCLUSIVE IS INCLUDED

The high-quality interior design will give your holiday in the Argos a special touch of luxury. No matter where you look: loving attention to detail can be seen everywhere.

The large side bench can be combined with the seating area to create a gigantic couch.

Lean back in the comfortable Reliner seat and enjoy the day.

Integrated spotlights above the storage cupboards emphasise the tasteful furniture finish. Perfectly finished genuine wood edges give the interior its final touch.

## LIVING COMFORT

## THE JOY OF COOKING

**Gourmet kitchen:** This kitchen offers everything that cooks love. With four gas hobs and an oven, your options are endless. The elevated sink means that you can work without straining your back. The extractor hood above the hob keeps odours away from the living area. The power sockets make sure you have a power supply.

**1 Sleep well:** The high-quality memory foam mattress guarantees that you will feel completely rested. You'll even enjoy a pleasant indoor climate in the alcove on cold days since it can be heated. The reading spotlights make curling up with a book twice as much fun – so you can read late into the night if you wish. Sleep well – and sweet dreams!

**2 A wellness oasis:** When you step into the spacious bathroom in the Argos, luxury awaits you everywhere. Look forward to a mirror with light applications and a large designer washbasin, high-quality fittings and shelves. No one will hold it against you if you happen to spend a little more time in a bathroom with such an attractive interior.

# STANDARD FEATURES (EXCERPTS)

## Multijet 2 engine technology

The engines transfer their power via a 6-speed gearbox, which is specially adapted to the requirements of motorhomes.

## Cruise control

Always within the speed limit; easily and conveniently.

## Bürstner double floor

The heated double floor provides lots of storage space for bulky luggage and protects it from the cold when temperatures drop below freezing (Argos).

## Power windows

Need some fresh air? Then simply press the button (optional wood finish).

## Rear garage

The spacious rear garage provides room for a bicycle or scooter, which can be secured with straps and rails. You'll also find many practical shelves here.

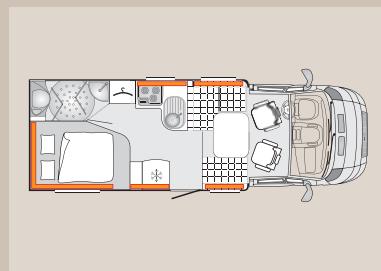

## Aluminium frame windows

The aerodynamic design of the tinted windows with flush fitting aluminium frames minimises wind resistance and wind noise (Argos).

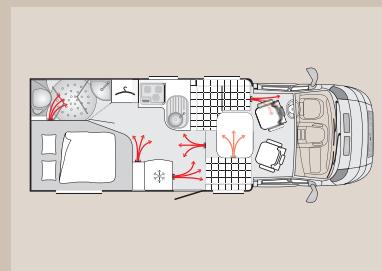

## Reverse driving camera

The reverse driving camera makes it easy to see even low obstacles when manoeuvring the vehicle (Argos).

## Alde hot water heating system

Guarantees even heat distribution down to the last corner and boasts low energy consumption and extremely quiet operation (Argos).

## Truma warm air heating system

Thanks to its quiet and powerful fans, optimum distribution of warm air is guaranteed inside (Argos time).

## Electrically operated step

The electrically operated extending steps make it easy to get in and out.

## Door sills

Striking sills on the driver and passenger doors emphasise the dynamic character of the Argos.

## Toptron Crash Protection Unit

In the event of a crash (or if the vehicle is dangerously tilted at a sharp angle), it seals off the gas supply and turns off all gas-consuming devices (Argos).

## Service panel

You'll have all of the technology in view and under control thanks to the onboard control unit (Argos).

## ALCOVE MODELS

The double locking mechanism of the premium door provides extra security. It is connected to the central locking system as a standard feature (Argos).

# STANDARD FEATURES (EXCERPTS)

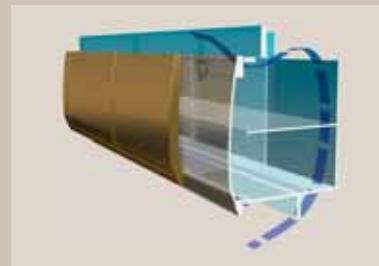

## Fixed and alcove beds

The combination of a memory foam mattress and a slatted frame with flexible rubber supports optimally distributes the body's weight and relieves the back.

## USB port

A USB connection via the 230V socket supplies electricity to charge your smartphone or tablet.

## Air-Plus

Ventilated storage cupboards ensure a fresh and pleasant climate (Argos).

## Fold-down alcove bed

Fold it up for more headroom above the pilot seats and easier access to the living area.

## Lighting in the alcove bed

No matter whether you enjoy crime novels or love stories, you'll always have the best in reading comfort (Argos).

## Lighting above the storage cupboard

The attractive lamp casts everything in the perfect light (Argos).

## Genuine wood edges

High-quality genuine wood edges emphasise the interior's premium character (Argos).

## Lighting in the wardrobe

So you can see exactly where your favourite clothes are hanging (Argos).

## Upholstery options

Add a personal touch to your living area. 44 living designs are available to choose from – so you can make it just the way you like.

## Travel safely and securely

Even the seats that face the rear in the living area can be equipped with three-point seatbelts (optional in Argos Time).

## Reliner XL

Practical, functional and extremely comfortable – the bench seat turns into a lounge area in three easy steps (Argos).

Development, production and sales are certified according to the international standard ISO 9001:2000.

A five-year water ingress guarantee for your motorhome, with an annual inspection (requires payment).

## GRP roof

The glass fibre reinforced plastic roof (GRP) for better protection from hail and severe weather.

Information about all the packages can be found in the price list.

## FABRIC VARIETY – NOVA QUALITY

Easy to clean. Agreeable to the skin. Long-lasting.

### Innovative and customer-oriented:

- 10 Nova Quality colour combinations to choose from
- Greater seating comfort thanks to the new upholstery design
- Back cushion is removable and easy to clean

## SELECTION OF MATERIALS

### LONGLIFE QUALITY LEATHER

Nova Quality is a revolutionary synthetic fibre that is extremely durable and resistant to dirt. If you happen to spill something, you just need a cloth and some fresh water to get rid of any trace.

At the same time, this breathable upholstery feels wonderfully warm and soft – and great on the skin. You'll also like the fact that Nova Quality is available as an option on all models (standard in the Argos and Elegance).

LongLife leather is a fascinating material. It is pleasant to feel, smell and snuggle up against. At the same time, it is robust, long-lasting and easy to clean.
