## KEY TO SYMBOLS

- Sleeping area
- Seating area
- Kitchen
- Washroom
- Storage space
- Berths
- Children's sleeping berths
- Drop-down bed
- Tandem axle
- Refrigerator volume (L)

## DESIGN

- F Double bed
- Fe Double bed, external washroom
- Ff/Q Island bed (double bed, free standing)
- H Drop-down bed
- K Children's beds

## TECHNICAL DATA

- L Single beds
- B Front seating area
- C C shaped lounge
- D Dinette
- M Central seating area
- S Side seating area
- U U shaped seating area
- W Rear washroom
- L Overall length
- B Overall width
- G Maximum technically permissible laden mass

# “HOBBYCOMPLETE” ALL-INCLUSIVE PACKAGE

Don't want to choose between comfort and budget? Then you've come to the right place! Because all Hobby vehicles come with the “HobbyComplete” ALL-INCLUSIVE package as standard. While you'll need to buy expensive additional packs from other manufacturers, everything is included with Hobby! Hobby vehicles come equipped with all the amenities that will make your holidays truly carefree.

Find out exactly what the “HobbyComplete” ALL-INCLUSIVE package includes on the following pages.

## ONE PRICE – EVERYTHING INCLUDED

✔ To heighten your anticipation, we have marked the highlights with a green check mark. This also makes it even easier for you to find out what makes the Hobby price promise so appealing.

### CHASSIS / SAFETY

- ✔ Stabiliser hitch KNOTT
- ✔ Overrun brake KNOTT ANS with automatic adjustment
  - Jockey wheel
- ✔ Drawbar cover
- One-key locking system
- Integrated 3rd brake light
- Rear fog light
- Wheel shock absorbers
- ✔ Heavy-duty supports
- Licensed for up to 100 kph

### WINDOWS

- Hinged window, can be opened, double-glazed and tinted
- ✔ Combi Cassette with pleated blind and fly screen, for all windows (excluding bathroom)

### BODY

- ✔ Rooflight DOMETIC SEITZ, Midi-Heki 700 x 500 mm, with pleated blind and fly screen in living area
- ✔ One-piece entrance door, extra wide with triple-point locking, window, waste bin, compartments and pleated insect screen in door frame, design dependent on model
- Entrance step
- Integrated awning rail
- Awning rail rain deflector with water drainage, front / rear
- ✔ Wheel arches, thermally insulated
- Wheel arch guard with rubber lip for draught skirt
- ✔ LED awning light
- Gas locker, accommodates 2 x 11 kg bottles

### LIVING AREA

- Wardrobe with interior light <sup>7</sup>
- ✔ Wall units with plenty of storage space and soft-close doors
- Compartment under seating area

### KITCHEN

- ✔ Stainless steel hob / sink combination with 3-burner hob, electric ignition and split glass cover
- ✔ Drawers, generously sized, fully extendable, with soft-close and push lock mechanisms
- Cutlery insert

### WATER / GAS / ELECTRICITY

- Waste water tank, 23.5 litres, rollable
- Submersible pump
- Gas regulator with over-pressure protection (DIN EN 12 864) and hose line
- Gas control taps in kitchen unit
- Light switch for children
- Electronically controlled 12 V / 350 VA power supply
- Ground fault circuit breaker
- Antenna socket with co-axial cable in living area
- Passenger vehicle connector JAEGER, 13-pole
- Smoke alarm <sup>7</sup>

### HEATING / AIR CONDITIONING

- Winter vents for seating area, lockers and beds

UPHOLSTERY COMBINATION: Sari

RANGE: Premium

# MADE IN GERMANY

## GENERAL REFERENCES

Caravan price list, season 2021,  
Last updated August 2020

This price list supersedes all previous price lists that have been published. The prices are recommended retail prices ex-works from Fockbek including statutory VAT. If accessories and optional extras are fitted and installed, the unladen weight, mass in running order and height of the vehicle will be increased. We charge 142 euros for the vehicle registration certificate part III/CoC, TÜV and gas certificate. Weight measurements may vary by up to five percent due to the use of natural materials. All content is correct at the time of going to press. Design and equipment package subject to change without notice; errors excepted.

Some of the models featured in the brochure have optional extras or decorations that are not part of the standard scope of delivery. Deviations from the pictured furnishings in terms of structure and colour are excepted provided they relate to the nature of the materials used and are consistent with standard commercial practice. The same applies to technical modifications to the vehicle provided the overall product quality remains the same or is improved and the intended purpose is not impaired.

The prices quoted are only valid within the scope of new series production. In some cases, it may not be possible to retrofit certain optional extras, or this may be associated with significant additional costs.

## FOOTNOTES

- 1 Depending on the model, configuration, axle, tyres, optional extras and load, the vehicle height can vary and may be up to 120 mm higher.
- 2 The maximum technically permissible laden mass must not be exceeded under any circumstances.
- 3 The mass in running order may deviate by +/- 5% from the nominal value stated in Directive 2007/46/EC, Annex I, Paragraph 2.6, Letter b, or in Annex III, Part I, Section A or B, or in the CoC, or in the ZB II registration certificate. It comprises the dead weight of the standard caravan plus the basic equipment package. The basic package comprises a full 11 kg aluminium bottle, a fresh water tank filled to 100% capacity, as well as the hot water heating unit and toilet flush tank where applicable. The basic package weights for the various models are as follows: 390 SF, 400-495: 62 kg; 470 KMF, 460 SF, 460 SL: 47 kg; 495 WFB: 52 kg; 515-720 UKFe: 84 kg; 650 KFU, 650 UFF: 89 kg; WLU, 545 KMF: 69 kg; 540 FU, 560 FC, 560 WFU, 660 WFC, 660 WFU, 720 KWPU, 720 WLC, 720 WQC: 74 kg.
- 4 The payload corresponds to the difference between the maximum technically permissible laden mass and the mass in running order. It is reduced when optional extras and accessories are installed and must take into account the weight of personal equipment. Furthermore, the payload capacity is not only dependent on the mass in running order, the actual vehicle mass, the weight of the accessories and the maximum technically permissible laden mass, but also on the respective axle loads. A prerequisite for reaching the maximum vehicle payload capacity is the appropriate distribution of the load in relation to the axle load.
- 5 It is possible that choosing an awning based on the specification of this circumference value may not be adequate. The specified circumference value only applies to awnings that are completely retracted into the caravan's existing channel rail. The circumference value may vary due to optional extras, the tyre size, axle and load. To arrive at an exact circumference value that is suitable for your awning model, we recommend that you measure the caravan individually.
- 6 The installation location of the TV bracket / pull-out mount can accommodate a television with a diagonal screen size of up to 22" (max. overall dimensions: 535 x 351 x 50 mm). This does not apply to the 620 CL and 545 KMF De Luxe / De Luxe Edition models. These models can accommodate a television with a diagonal screen size of up to 19".
- 7 Battery-powered.
- 8 Garage door dimensions: 1,100 x 1,520 mm for models: 490 KMF, 540 KMFe and 560 KMFe; 1,070 x 1,100 mm for models: 515 UHK and 545 KMF.
- 9 If specially requested, the standard metal lift table will be replaced by a single-post lift table for the U-shaped seating area.
- 10 Not in conjunction with cold foam mattress.
- 11 This optional extra is only available in conjunction with HobbyConnect.
- 12 This optional extra is not available in conjunction with HobbyConnect.
- 13 Subject to follow-up costs, please refer to the product description for more information about HobbyConnect+. Availability varies according to country.
- 14 In conjunction with this optional extra, the locker door is not technically feasible.
- 15 Includes: Homologation / EU Type Approval, CoC / Safety Certificates Part II and Gas Test Certificate.
