SILVER 2021

SILVER

Easy to tow and store
and comfortable holidays!

The SILVER Evasion is a particular favourite with experienced caravanners: compact and manoeuvrable on the road, it is spacious and comfortable for overnight stays...

The secret: its pop-up roof and all the advantages it offers that you can discover in the following pages...

Your SILVER is waiting to take you on holidays with no constraints.

INSTALLATION

Increase the volume of your caravan in the blink of an eye thanks to the easy manual or automatic installation of the pop-up with the exclusive EASY TOP system.

ROAD HOLDING

With wind resistance reduced by one third compared to a traditional caravan, the EVASION makes towing easy and reduces your fuel consumption quite noticeably.

TOLL ROADS

At less than 2 metres high, no surcharge is applicable on toll roads.

COUPLING

Its compact dimensions and light weight make coupling operations easy.

GAS HEATING

- (optional)
- Integrated silent ventilation
 - Economical
 - Electronic controls

STYROFOAM INSULATION (XPS)

Top-of-the-range sound and heat insulation enabling you to use your low-mount caravan all year round.

ENTERING AND EXITING THE GARAGE

Only 2 m wide and 1.98 m high, it enters and exits your garage easily.

EVASION 390 TDE

(MODULARITY)

360°

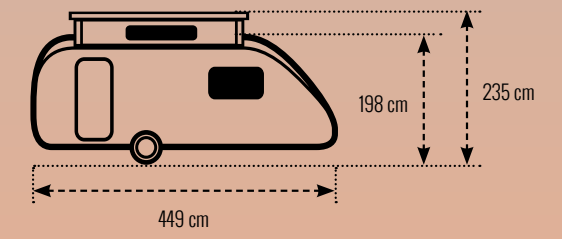

EVASION 390 TDE

SLEEPS 2

Thanks to its modular layout, the EVASION 390 TDE offers you 3 sleeping possibilities:

- Twin beds, 75 x 206 cm
- King-size bed, 190 x 206 cm
- Transverse bed, 140 x 190 cm
+ comfortable dining area

And don't forget the large bay windows offering unbeatable views of the world outside!

EVASION 390 CP

(COMFORT)

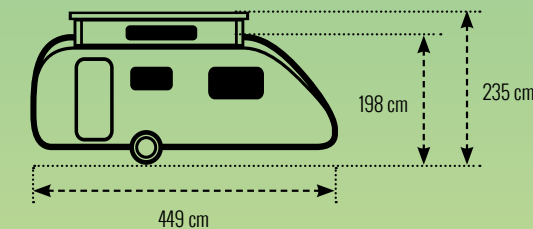

EVASION 390 CP

SLEEPS 3

Enjoy outstanding comfort in the EVASION 390 CP with its fixed bed with a slatted base and an ultra-comfortable mattress.

A pleasant and functional living area for top-quality holidays.

EVASION 430 LJ

(ERGONOMIC)

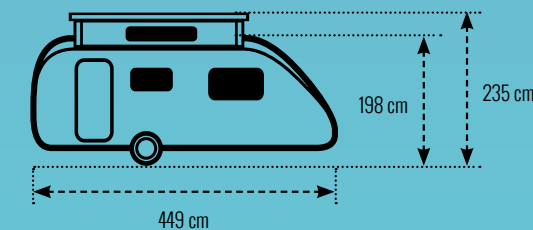

EVASION 430 LJ

 SLEEPS 3

This compact model combines all the advantages of a large model:

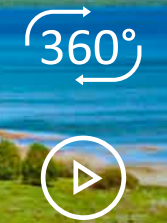

- **Optimum ergonomics:** a spacious rear dining area, a large, fully-equipped kitchen, twin beds fit for a king and queen: 200 x 80 cm with a height adjustable head and ultra-comfortable mattresses some 17 cm thick
- **Numerous storage areas:** wardrobe, cupboards, shelves, recesses, glass cabinet, bottle-holder, pan drawer, etc.
- **All this in an area less than 6 m long and 2 m wide!**

EVASION 430 CP

(REINFORCED INSULATION)

EVASION 430 CP

 SLEEPS 4

The EVASION 430 CP combines all the top features available in our range:

- Parents' room
- Large dining area
- Spacious storage areas
- Bathroom

With its fixed bed, a dining area that can be transformed into another bed and its spacious worktop, the EVASION 430 CP combines space, practicality, comfort and conviviality.

EXCLUSIVE SILVER TECHNOLOGY

Damage caused by hail and moisture is the main threat to your caravan.

The conventional design adopted by most manufacturers guarantees neither sufficient protection in bad weather nor efficient waterproofing.

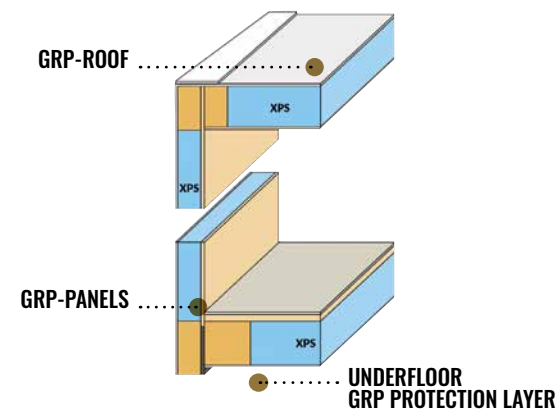

That is why Silver has developed an exclusive design that ensures the durability of your caravan.

An almost unique quality promise: a manufacturer's waterproof warranty of up to 7 year*.

Roof and sides with a polyester coating limiting the damage caused by hail and other bad weather.

- A sub-floor made from robust polyester protecting against splashing water, salt and loose chippings.
- XPS foam insulation for optimum sealing

*This warranty is subject to a mandatory annual inspection conducted by an approved Silver partner.

ISOLATION

Unlike other manufacturers, Silver does not content itself with conventional polystyrene insulation. The walls, roof and floor are insulated with XPS foam (Styrofoam), guaranteeing high-performance insulation.

THE ADVANTAGES

- Reinforced protection
- Rot-proof material
- Easier and cheaper to repair than aluminium
- Resistance to UV rays and bad weather
- Polyester keeps its shape and colour

COMFORTABLE HEATING SYSTEM

EVASION offers you the possibility of opting for an efficient gas heating system. The Truma VARIOHEAT model benefits from an integrated forced air system and is located under the bench seat, thereby freeing up considerable space.

THE ADVANTAGES

- Economical
- Electronic controls
- Integrated safety mechanism
- No maintenance required

SLEEP COMFORT

The EVASION models offering optimum sleeping comfort thanks to the flawless quality of the "comfort" mattresses.
