adria mobil – Manufacturing state of the art Motorhomes in Slovenia for 45 Years

The beautiful town of Novo Mesto, situated in the heart of Slovenia is where the dreams of leisure vehicles are born. Adria Mobil is firmly positioned as one of leaders in the production of leisure vehicles and is ideally placed to be able to adapt to the needs, demands and requirements of over 25 different markets across Europe and the World. Market leading innovation, sustainable quality and value for money are the ingredients of Adria Mobil's continuing success over the last 45 years.

Adria Mobil is proud to continually invest in both its people and its production. The Adria factory which is the largest and most modern,

technically advanced in the leisure industry across Europe, provides the basis for perfection of which each member of the Adria workforce continually strive for.

Your Adria Team... Passionate about Perfection

Adria Concessionaires situated in the beautiful surroundings of Suffolk, have the knowledge to supply the modern day motorhome purchaser with all the information that is required when making an informed decision in buying. Personal dedication, knowledge and teamwork combined with continual training and support provide a symbol of excellence, a service second to none allowing Adria to become your long-term leisure partner.

Adria network

Complete Value for Money Products

Lasting quality and continual satisfaction are key ingredients in success. Adria Mobil, celebrating 45 years, shows heritage of know-how and fine craftsmanship skills providing confidence and strong foundations in its recognised and reputable products.

Adria offers a variety of design and styles to satisfy the needs and demands of all the different markets. Each one carefully designed by our professional engineers allowing Adria to fulfil the different requirements of our customers throughout Europe and the World.

The Value of Your Investment

The choice is all yours

Adria's wide distribution network with national sales teams provide the best support services for their customers in every European country. Highly trained and educated personnel will help you choose the best for you.

A wide range of choice, layouts and options ensure that Adria caters for all needs and requirements. Whether it's a caravan, motorhome or van that you require, Adria has the vehicle for you at best "value for money" you can get on the market.

travel in style

Coral has always been a reliable, practical and comfortable motorhome. The 2011 range is no exception. The new external rear wall design with the exclusive 'Adria' lights, displays strength and durability, while the external graphics show modern beauty. With a full polyester body construction and the panoramic roof window, the Coral provides both contemporary and durable design in layouts developed to satisfy the needs of the experienced traveller.

sleek & spacious

The Matrix represents a new generation of motorhome experience, based on the exterior of low profile and interior space of high profile . The beautiful external aerodynamics is complimented by modern and spacious interior with a lifted bed solution providing up to 6 sleeping places, while retaining the solid, durable build of the polyester body construction. Few motorhomes have the presence of the Matrix and it will leave you the envy of all other motorhome owners.

twinn
fiat ducato

functional & practical

Adria take great care in designing the Twin range with constant usage in mind. Although the Twins are manufactured small enough to cope with the busiest of city streets, they are also designed with comfortable, relaxing vacations in mind. Well insulated walls, floors and ceilings will keep you warm while reversing sensors ensure safety and security on your journey. For 2011 the Twin Range has received a fresh exterior look with new modern graphics.

-  2,2 33L - 3,0 35L
-  5990 mm
-  2050 mm
-  2580 mm
-  3300kg / 3500 kg
-  2 Models
-  Up to 4 Homologated Travelling Seats

Inside you will find every creature comfort that you need for the perfect vacation. Well equipped kitchens and bathrooms, ambient lighting and comfortable beds. The Twin range offers you 2 layouts and each one of them is designed to suit all your requirements.

The Twin SP offers a large fixed bed, well equipped kitchen and large storage facilities. Whether it's a long vacation or a short trip away, Twin SP delivers everything that is required for the perfect holiday.

The New Twin SL boasts large twin single beds providing easy access and maximum comfort in dinette seating arrangements, still retaining the well equipped kitchen, compact washroom and useful storage facilities that feature as standard in the Adria Van range. Side windows in the bedroom area allow additional light inside and create a feeling of an open and airy space.
