REISEMOBILE AUS LEIDENSCHAFT

Credo, Carver, Charisma and Centurion Daily represent the broad luxury segment at Concorde.

Each of these series sets standards in terms of design, technology and comfort and serves a role model in its respective class across the industry. The expressive styling lends the vehicles an unmistakable appearance that clearly identifies them as Concorde.

They are all true to our motto "We are passionate about motorhomes" and are produced as handcrafted masterpieces by a dedicated staff with passion, enthusiasm and commitment on the basis of engineering expertise, design creativity and precision in production.

“WE ARE PASSIONATE  
ABOUT MOTORHOMES”  
FOR THE PAST 40 YEARS

Today's Concorde Reisemobile GmbH has its roots in the year 1981 and is one of the pioneers of German motorhome construction. Concorde has been based in Aschbach for 28 years and, thanks to a committed management team that has experience in the industry, has developed there into an attractive location with a highly modern motorhome production facility.

Each year, approximately 400 exclusive motorhomes are manufactured here using a precisely balanced combination of individual craftsmanship and high precision. Production takes place using a precisely balanced combination of individual craftsmanship and high precision and – in part computer-controlled technology.

Also referred to as "land yachts", these vehicles are absolute premium products full of innovation, precision and passion.

# CREDO GET INTO THE CONCORDE CLASS

Traditionally, the Concorde experience begins with the Credo at the entry-level to the Concorde class. In addition to the four existing models we have extended the Credo range with four new floor layouts, redefining this series and once again setting the standard in this class with numerous innovations.

As you can see the new Credo is at first glance a true Concorde. The large bus mirrors and windscreen wipers, in combination with the optional exterior design in Centurion Style are clear components of the Concorde DNA. A new highlight in the Credo are the frameless flush fitting side windows in the driver's cab area.

# CONCORDE DNA - VISIBLE AT FIRST GLANCE

Of course, our motorhomes also impress at a second glance. Take the living area in the Concorde Credo, for example. A bright, friendly environment where its decor, upholstery and carpet fabrics are in perfect coordination with the furniture, with doors and flaps veneered in Ebano silver. The new interior locking system is discreetly arranged and underlines the exclusive overall impression of the furniture. The alternating convex and concave surfaces and the "Concorde One Level Floor Concept" create a effect of space from the driver's cabin to the bedroom.

The kitchen in the new Credo is also a clear commitment to quality and function. With the three-burner hob, the single-lever mixer water tap, the perfectly integrated sink, the bin for kitchen waste and the neat socket strip, the open kitchen in the Credo models sets standards in its class in terms of ergonomics, design and function.

# REFRESHED AND RELAXED INTO THE NEW DAY

Do you like to start the new day refreshed and relaxed? Nothing could be easier. In the spacious bathroom of the new Concorde Credo models, a large amount of space is the trump card. In the twinkling of an eye, by closing the doors to the living room and bedroom, the separate shower and toilet room becomes one large bathroom and dressing room.

Our development team have created a wellness oasis to help you wind down and relax in our Bedroom area of the new Concorde Credo models. In addition to the generous bed dimensions, there is also the "Concorde Comfort Plus Bed System": A perfect combination of slatted frame and Evopore HRC comfort foam mattress with water gel core, enabling a truly relaxing and restful sleep.

# THE SERIES

The wellness oasis with separate toilet room offers them a spacious area for their personal refreshment. Two doors separate it from the bedroom and living room.

A remote control, which is integrated in the ignition key of the basic vehicle, automatically locks and unlocks the entrance door.

# HIGHLIGHTS

The coach-style rear-view mirrors, which are elegant and ensure optimum visibility, increase active safety while driving and, above all, when manoeuvring.

The steering wheel, which is easy to remove and attach, provides a significant increase in comfort, freedom of movement and safety with its functionality optimised by Concorde.

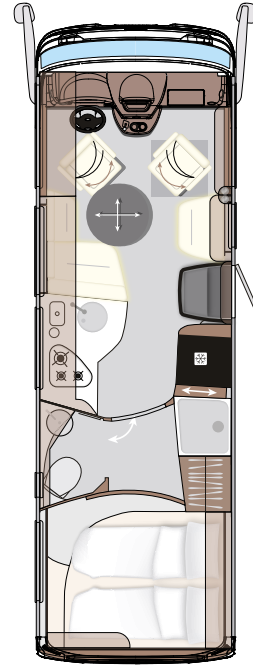

Here you can see all the highlights of the Credo series.

# CARVER LUXURY MADE EASY

The Carver makes mobile luxury easy.

With its Concorde-typical exterior design, the Carver visually conveys a certain lightness in spite of its voluminous appearance. In fact, the Carver reduces its weight through the intelligent use of materials. Despite its material lightness, the vehicle features a plethora of innovative technology, tried-and-tested functionality and a high degree of winter hardiness.

CREDO

CARVER

CHARISMA

# STYLISH AND FUNCTIONAL

The kitchen is among the highlights of the Carver. The ergonomic kitchen ensemble with mineral kitchen worktop, stainless-steel hob and stainless-steel sink as well as the typical household accessories has been thought out by us down to the last detail and is combined with optimum room usage and exemplary equipment.

The living room provides a perfect combination of functionality and comfort with ergonomically shaped seating group and a lightweight furniture concept with a range of design variants.

Learn about the large selection of furniture front panels and seating group variants with their leathers and fabrics.

# OASES OF WELL-BEING AND RELAXATION

Not only the Carver has a smart appearance, so too do its owners. Ensuring this is the spacious bathroom with its separate shower, toilet, washbasin, numerous storage areas as well as a large wardrobe. Hygiene, cleanliness and visible care are apparent not only in the "all-round" mirrors.

For external care of the body to continue, the sleeping area offers maximum comfort. A special spring base, comfortable cold-foam mattresses as well as cushioned headrests ensure relaxing and restful sleep.

CARVER 890 RRL

CREDO

CARVER

CHARISMA

CENTURION

# THE SERIES

Two aluminium frames in the Charisma's double floor ensure an extremely stable "basement construction" by connecting the auxiliary frame with the living area floor, creating a solid box. This clever construction means that furniture and wall constructions remain firmly connected in the long run.

Even mobile homes need a sound foundation. This is ensured by sturdy machine screws that sturdily secure the bottom floor of the chassis.

# HIGHLIGHTS

The elegant and functional aluminium front blind provides the required privacy and protects against unwanted sunlight.

The heated double floor with substantial interior height offers a generous amount of storage space and is easily accessible through the large storage space flaps, which can be rotated by 180°.

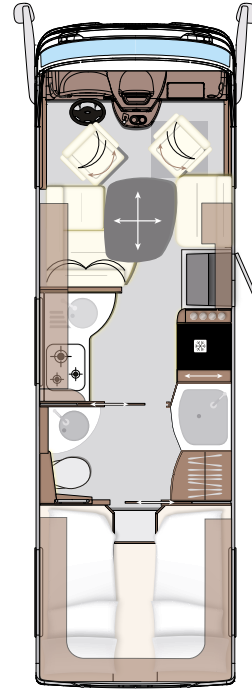

Here you can see all highlights of the Carver series.

# CHARISMA THE CLASSIC

The classic among the land yachts.

The Charisma stands for all of the values Concorde represents with its company philosophy: innovation, quality and passion. Demonstrated by state-of-the-art and innovative vehicle technology, luxurious and practically oriented equipment as well as artisanal passion and material quality.

The current generation embodies progressive design, intelligent technology and uncompromising comfort and is a leader in style and exemplary for luxury motorhomes, also known as land yachts.

CREDO

# LIVING ENVIRONMENT AND KITCHEN STU

The living room as a living environment. Depending on the model: with bar version or a fifth seating place as a generously dimensioned lounge version, equipped to a high standard and unbelievably comfortable. The integrable driver's seat and passenger's seat offer additional living space.

The kitchen – a studio par excellence. Extendable pull-out pantries with plenty of storage space. High-quality kitchen appliances, a spacious refrigerator, the stainless-steel hob and integrated stainless-steel sink in the ergonomic mineral worktop convey a kitchen studio atmosphere.

Learn about the large selection of furniture front panels and seating group variants with their leathers and fabrics.

# THE SERIES

Storage space „en masse“, every corner wisely used. To create so many drawers, cabinet and storage spaces in such a limited space is a logistical masterpiece.

The comfortable two-zone underfloor heating is supported by a separate heating pump and can also be expanded to two zones on request.

# HIGHLIGHTS

The dashboard is ergonomically designed so that the driver always has the essential vehicle data in sight and can easily reach all function switches and levers.

The double floor offers twice the through-loading capacity over the entire vehicle width, for skis, surfboards or other boards and bulky objects in general.

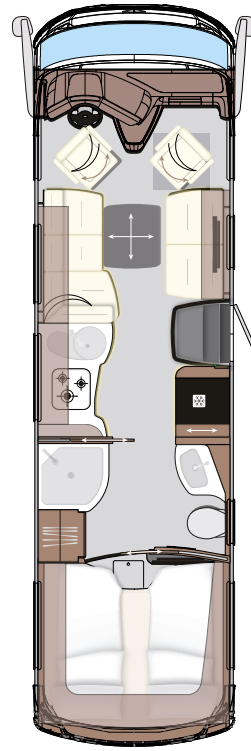

Here you can see all highlights of the Charisma series.

# 5-STAR BATHROOM AND BEDROOM

The bathroom with its high-quality fittings, large rainforest shower, plentiful drawers and mirrors as well as generously equipped washbasin creates a 5-star atmosphere.

The same applies to the bedroom, which, with comfortable mattress, generously dimensioned lying surface as well as stylish lighting of the canopy around the circumferential overhead cabinet, provides a perfect sleep arena.

CREDO

CARVER

CHARISMA

CENTURION

# THE SERIES

The Centurion is well supplied with power thanks to a 24-volt bus system with powerful lithium batteries – everything securely installed and wired.

Elegant and robust bus skirting support the exterior design and automotive shape and give the entire body and the individual flaps a secure hold.

# HIGHLIGHTS

The indirect lighting integrated in the roof trim provides pleasant illumination. The all-round lighting makes night-time manoeuvring easier and improves safety.

The flaps are opened via the Concorde aluminium hinge with rubber core. Thanks to this intelligent solution, no water runs through between the side wall and the flaps even when they are open.

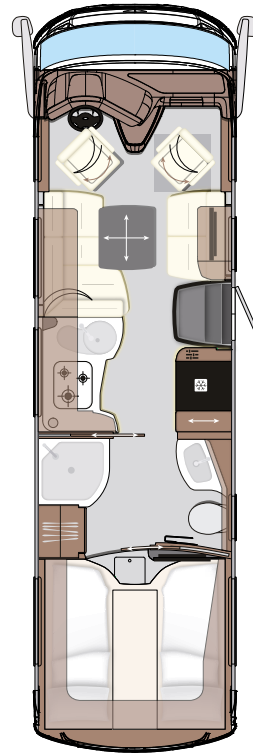

Here you can see all highlights of the Centurion Daily series.
